TO

MISS THELMA O. SMITH

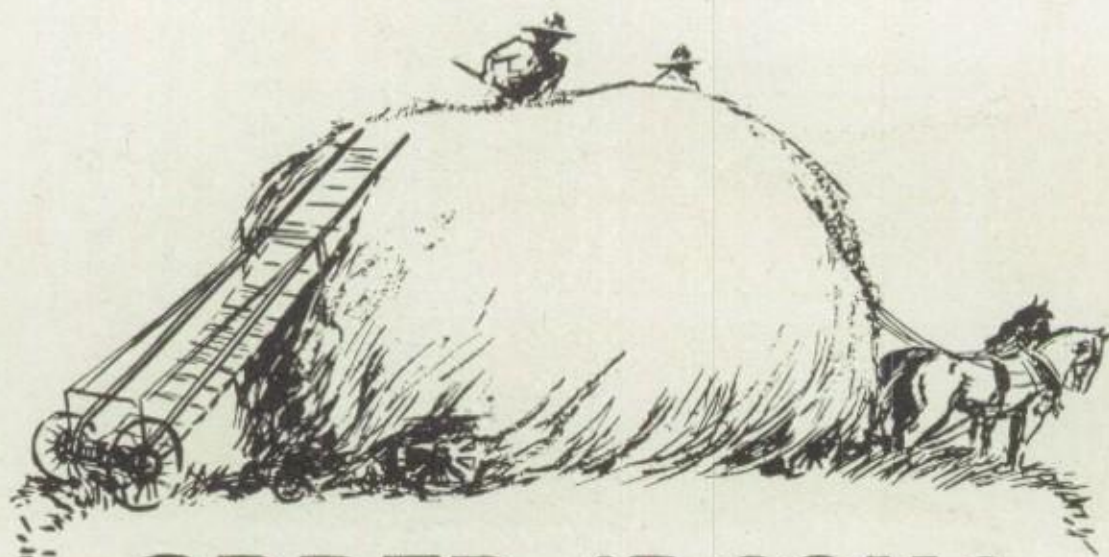

Whose fervent efforts and clear devotion to the noblest and finest in our heritage of English letters has kindled within us a like loyalty to the greatest masters of our language: Whose constant efforts to clarify our thinking, to broaden our scope of reading, and to uplift our principles of living have earned our grateful friendship: Whose sympathy, intuition, patience, and enthusiasm have constantly inspired us to greater effort and accomplishment, We, the Class of 1928, dedicate this volume of La Airosa.

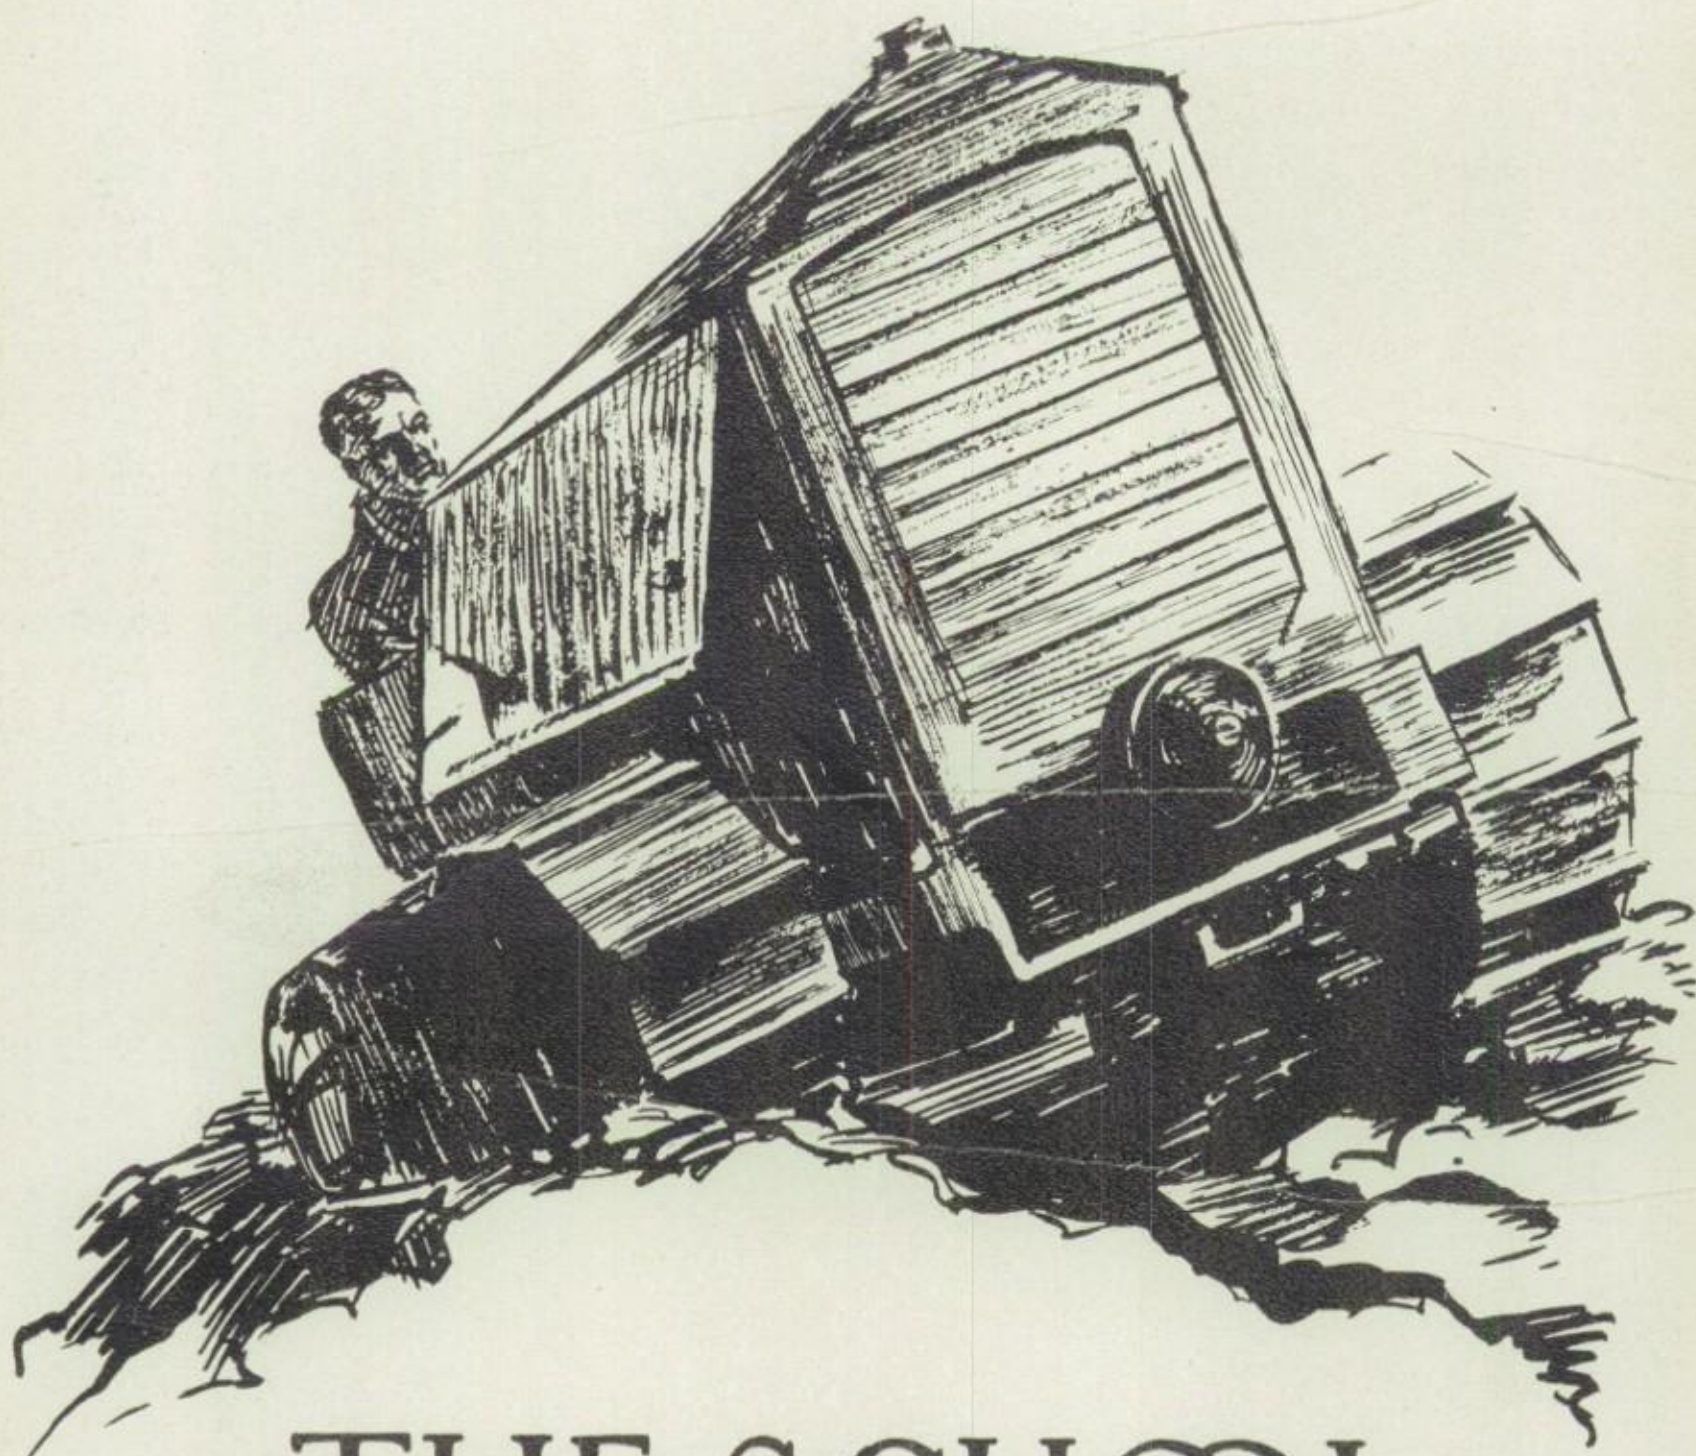

FOREWORD

Recalling that thirteen years ago appeared the first volume of La Airosa, the staff of this annual has earnestly striven to avoid shipwreck on the schools of dulness, or in the whirlpools of sensationalism, and now fervently petitions that over this book may never close the quicksands of oblivion.

SCHOOL BOARD

The accomplishments of the Board of Trustees of the Amarillo Independent School District for the last two years has been outstanding in the history of the district, and it is doubtful if there will ever be a period of as great opportunity for building in the same length of time as has been done during these two years. The demands made on the district by reason of such an enormous increase in population have been met in a manner that has brought forth praise from the patrons of the schools, as well as from the tax payers of the city. Although approximately one million dollars have been expended for new buildings, and maintenance expense has almost doubled, the good business judgment used, together with increased values in the city, new buildings, mercantile stocks, etc., instead of an increase in the school tax, we have been able to reduce the rate to 82 cents per one hundred dollars which is the lowest rate of any city or town in West Texas, with one exception.

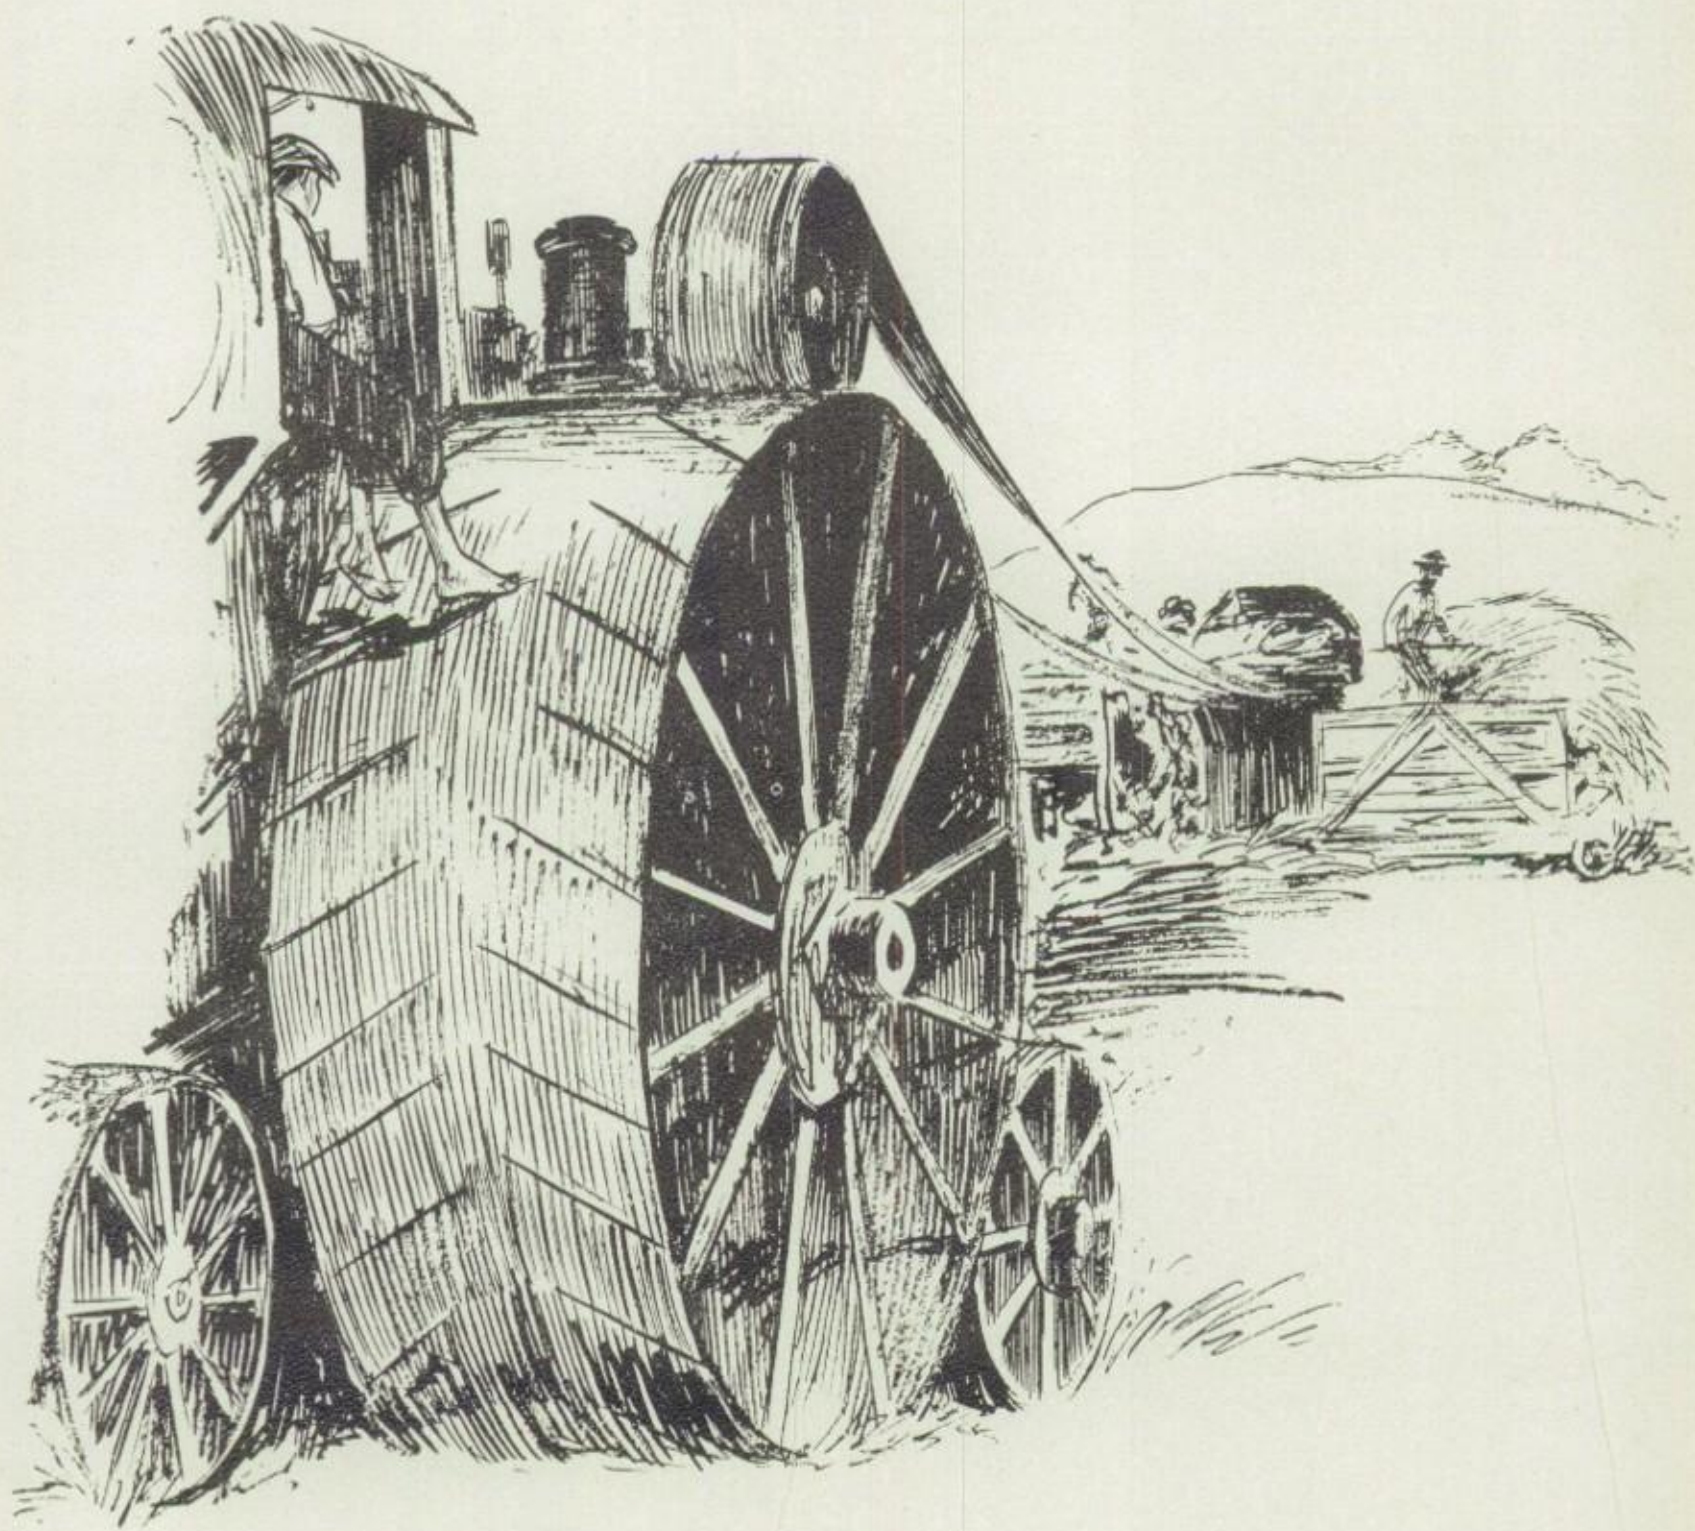

Following is a list of new buildings, and substantial additions to buildings during the last two years:

Second Unit, Senior High School	\$235,788.00
North Buchanan Street, Grade & Junior High	152,585.00
Sanbourn School, Grade and Junior High	133,085.00
Summit, Grade	56,057.00
Country Club, Grade and Junior High	80,803.00
Eakle, Grade	76,789.00
Humphry Highland, Grade	14,741.00
Pleasant Valley, Grade	30,544.00
Sites Purchased	36,600.00
Equipment	57,000.00
	\$873,992.00

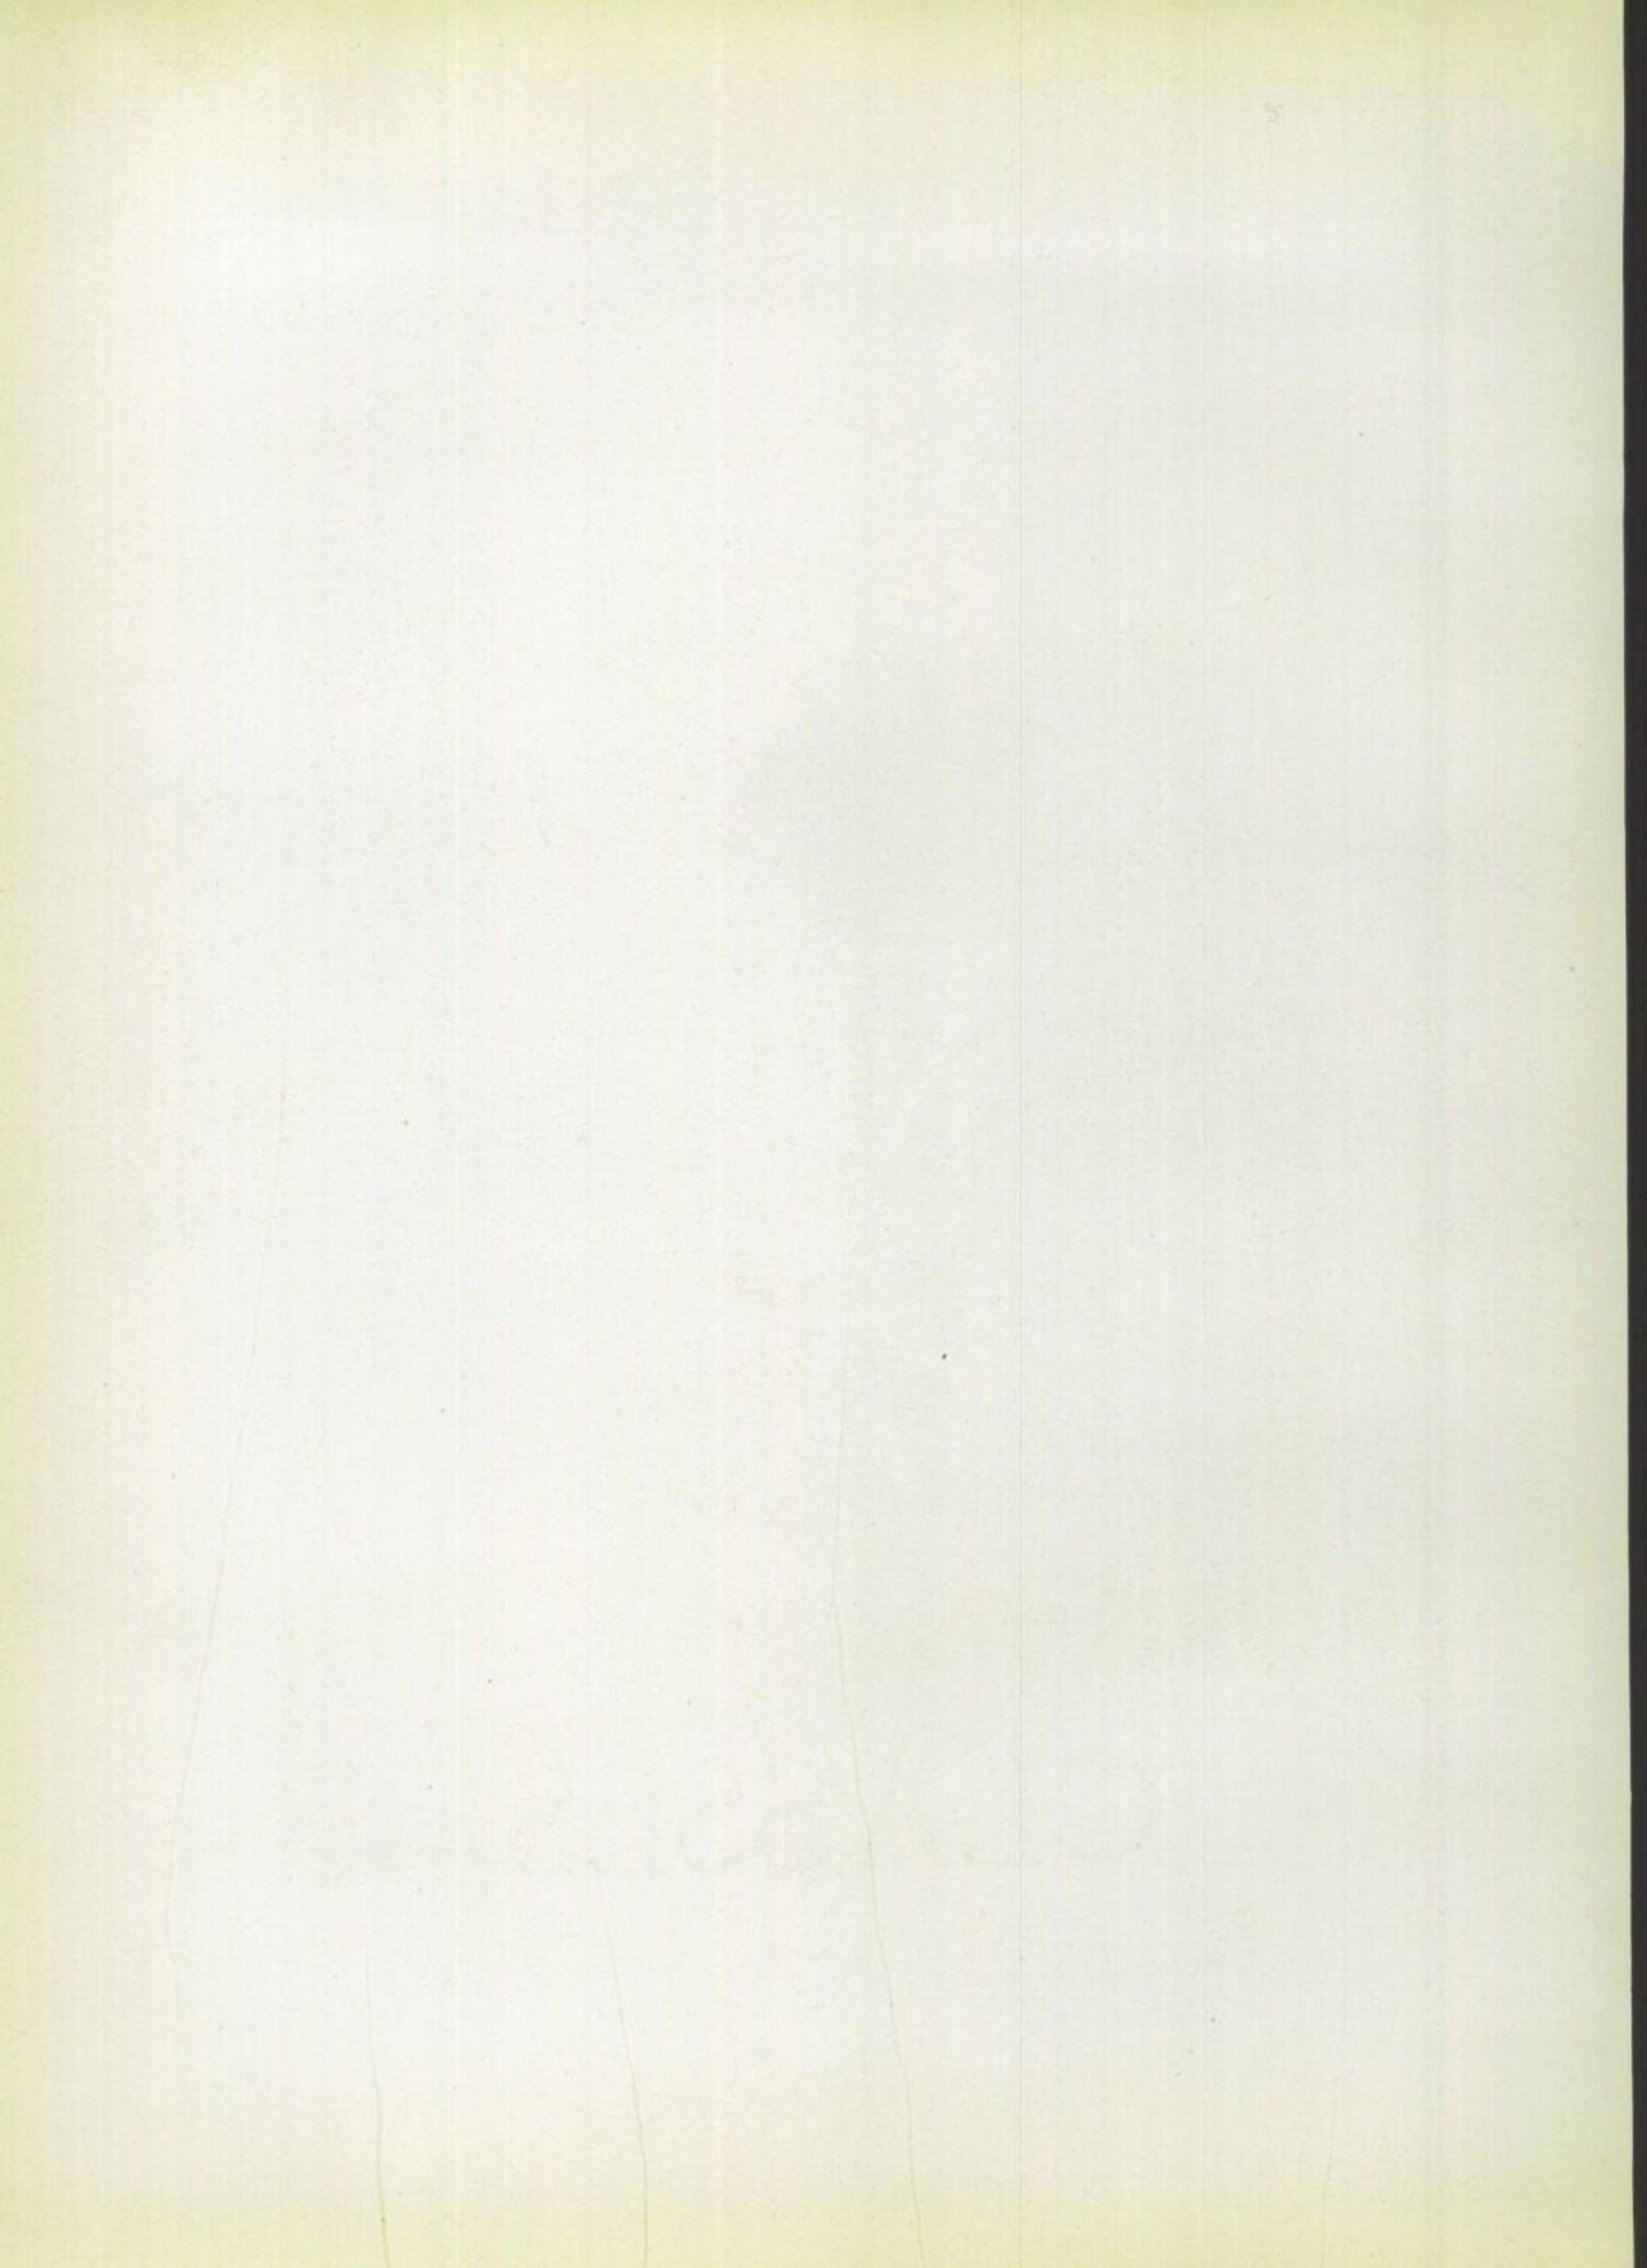

The personnel of the Board covering this period of development is as follows: W. N. Durham, H. W. Blackburn, H. S. Milholland, J. B. Coe, U. S. Strader, E. L. Roberts, J. A. Bowman. Mr. B. C. D. Bynum succeeded Mr. Durham on Jan. 4, 1928, Mr. Durham having resigned on account of being out of the city.

CLUBS

[illegible]

The Lost and Found Room, which rendered splendid service to the school, was ably managed by George Bates.

Seventy delegates attended Older Boys Conference at Wichita Falls.

The Hi Y observed all the usual events scheduled by the State Program Committee.

The club had one of its most prosperous years during its history.

ACCOMPLISHMENTS OF THE CLUB

One of the practical services the Junior Hi Y rendered to the school and the community during the year was by keeping the front of the school clear of cars.

The Juniors also distributed Christmas presents to the poor children of the city.

This was the first year for the Junior Hi Y Club.

Motto: Labor omnia vincit.

Shortly after school had begun the Internos Club organized. This was the third year the club had taken its place among the organizations of the school.

Its purpose is to arouse interest and to encourage the study of Latin. During the club period old Roman heroes and Roman customs are discussed. Latin songs are sung and the relation of the English and Latin languages is also studied.

The club, composed of thirty members has given a Latin play, "The Slave Girl."

"Los Viajeros", "The Travelers", is one of the most entertaining clubs of 1928, also it is one of the very newest, being organized under the sponsorship of Miss Cora Russell in the fall of 1927. The motto "Hagalo Hay", "Do It Today" was chosen by the club. The colors are green and white and the flower is the cactus. The name of the club has been carried out by the numerous trips to Mexico through the interesting talks given by the members. Several plays and Spanish games have been interesting features on the programs. We hope the club next year may have as interesting and successful year as we have had.

PI DELTA DRAMATIC CLUB

MISS ORVILLE HEADRICK - - - Sponsor

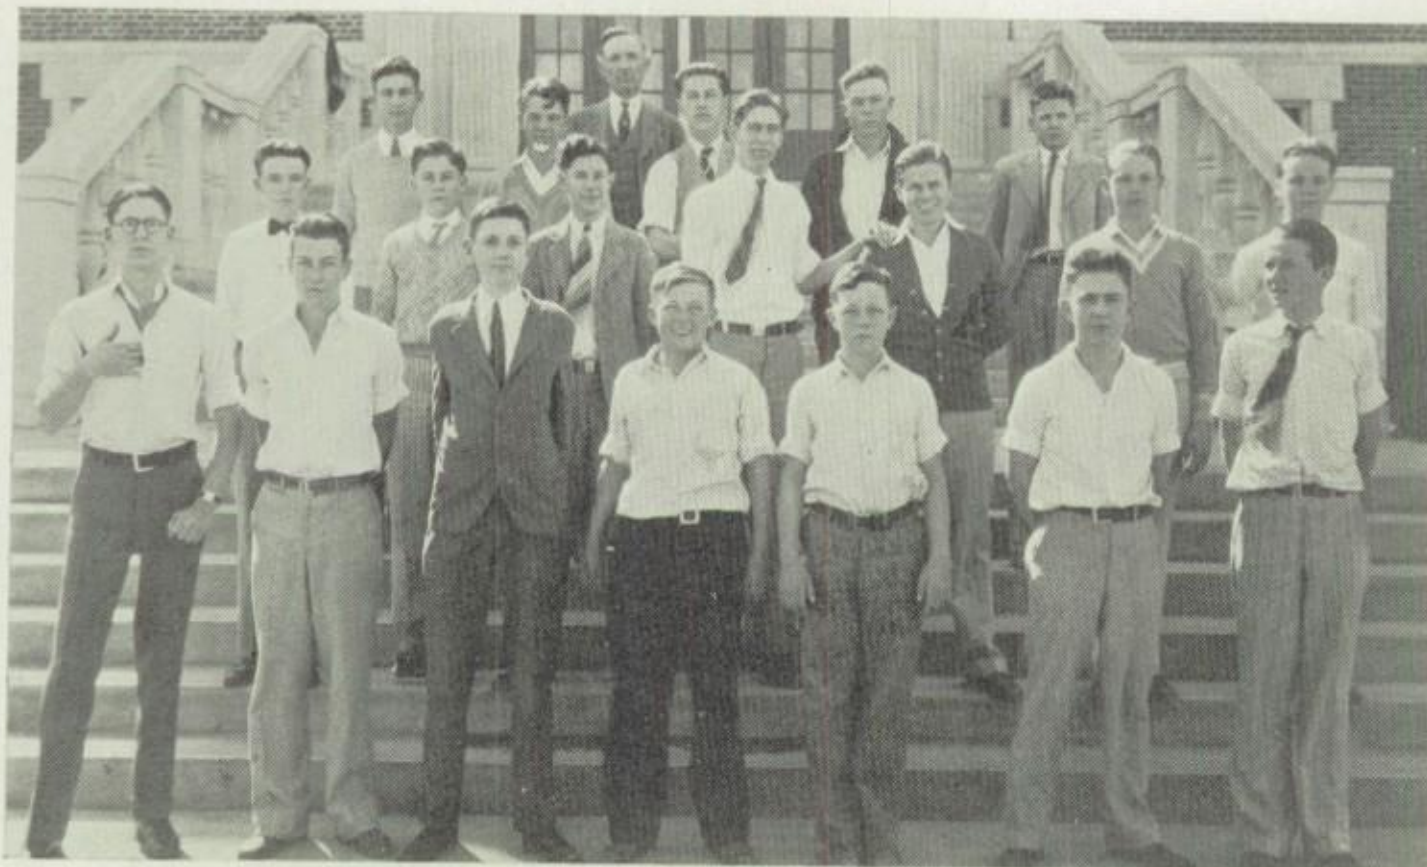

The Pi Delta Dramatic Club has accomplished more this year than ever before. The different groups have presented plays in Assembly and for the women's clubs of the city. The play "Suppressed Desires" was entered in the district contest, but was defeated by Plainview. They hope next year to be more successful.

EULALIANS

MISS LOUISE RUSSELL - - - - Sponsor

The Eulalian Club is the oldest girls' literary club in Amarillo High School. The purpose of the club is to promote interest along various literary lines. Many interesting programs have been given in the club this year, and interest in the club is growing continually.

PHILOMATHIAN DEBATING SOCIETY

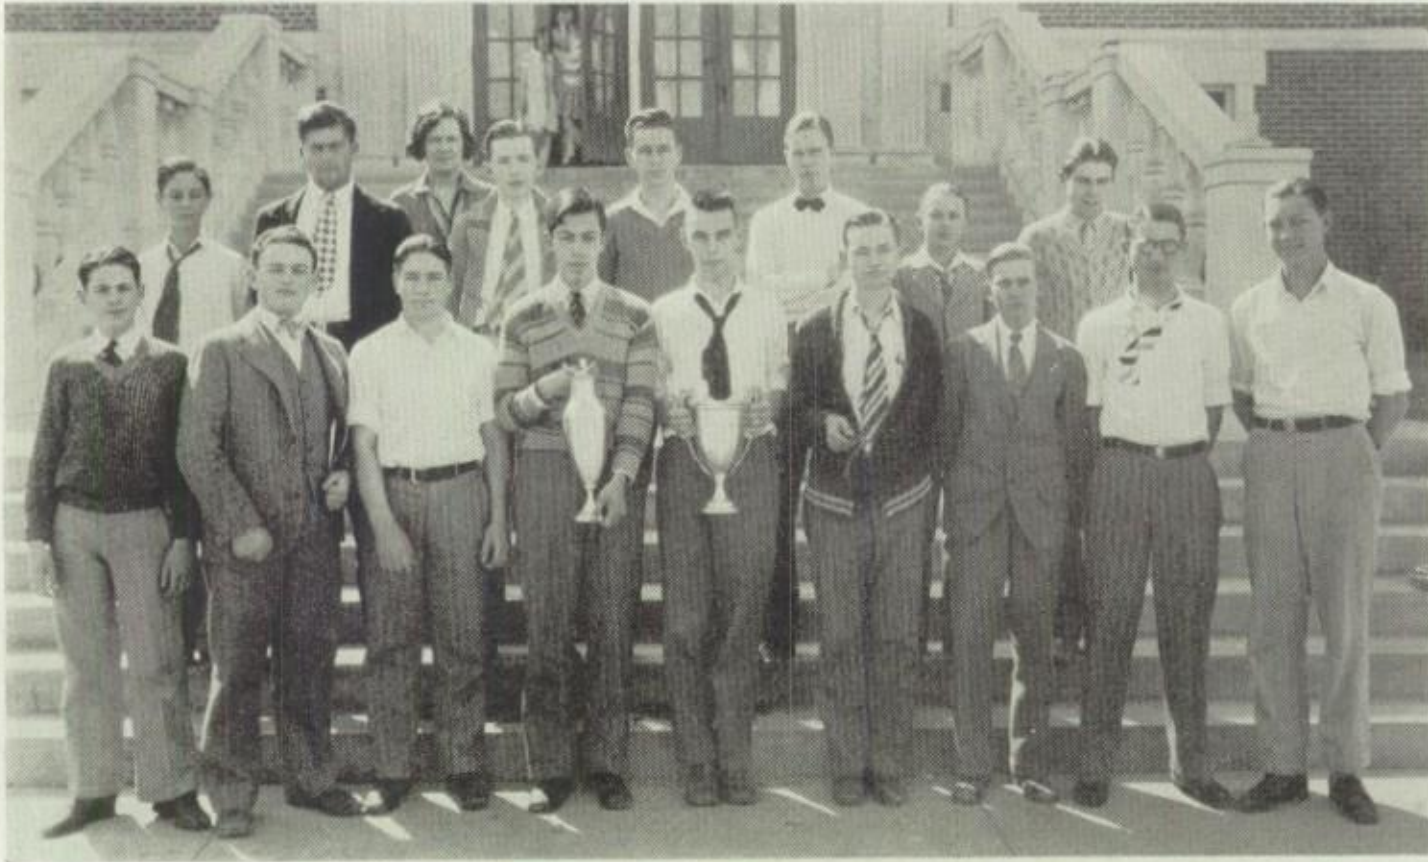

MR. C. G. TRUITT - - - - - *Sponsor*

The Philomathian Debating Society was organized in 1926.

The Philo's represented by Deiss and Woodward lost the Lion's cup this year to the Forum. Later on however, Bob McKinney won the Extempore Speaking Contest over the Forum contestants.

The Forum-Philomathion Banquet was held at the Amarillo Athletic Club in the later part of March.

The Philo's are sponsored by the Lion's Club of Amarillo.

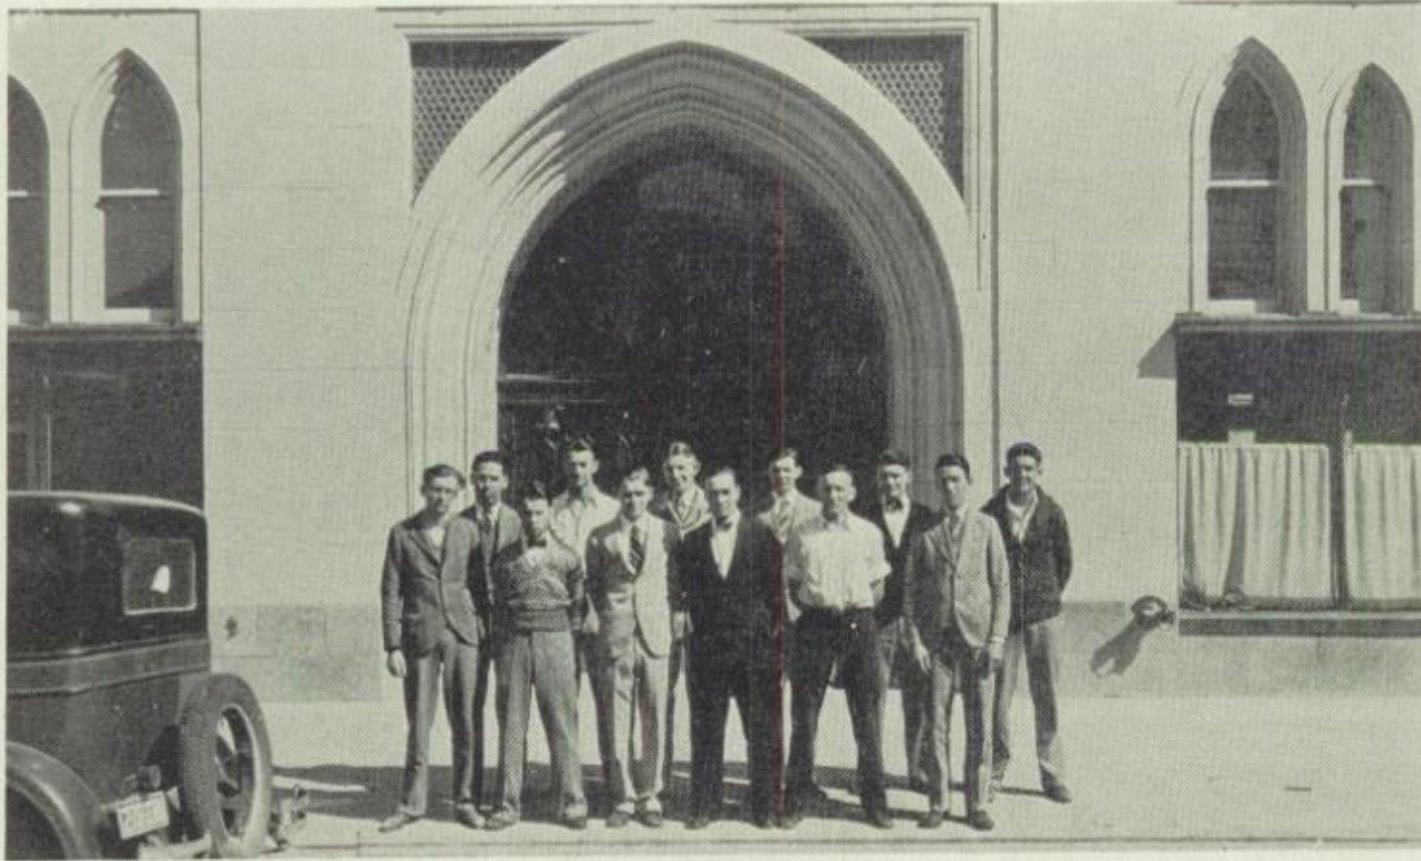

FORUM DEBATING SOCIETY

It was with an enthusiastic membership, that Forum Debating Society entered the eleventh year of its organization. In point of achievement the year '27-'28 has been one of the most successful in the history of the club.

The new members, including Miss Cecil, Sponsor, and Miss Cornelius, Debate Coach, were duly initiated in the early part of the school year. Hallowe'en found the club entertaining in the school cafeteria. The Girls Debating Club, which early became allied with Forum, was entertained in January, and in April the joint Forum-Philo banquet was staged at the Amarillo Athletic Club.

The Forum Debating Team, composed of Jack Fischer and E. B. Fincher, won the Lions Cup from the Philomathians and also represented the school in debate. This team won the Memphis, Tri-City, and District League debates, enabling them to enter the finals at Austin.

BAND

OSCAR WISE	-	-	-	-	-	-	Director
LLOYD FARNSWORTH	-	-	-	-	-	-	President
GERALD COOPER	-	-	-	-	-	-	Secretary
PAUL SMITH	-	-	-	-	-	-	Treasurer

The Band has done especially good work this year. It has secured the name of the City Band as well as the High School Band. It has completely uniformed itself through its own efforts.

The Band did its part in creating spirit at all the football games as well as at other school functions. It was taken, as the official band, on the Amarillo Trade Trip throughout the Panhandle. The boys were especially praised by the business men for their conduct and attitude. Since, it has been on several trips, still maintaining its good standard.

The Band won the Band division of the Panhandle Music Festival. The Band has not only been improved but greatly augmented this year. We hope they continue their advancement in the future.

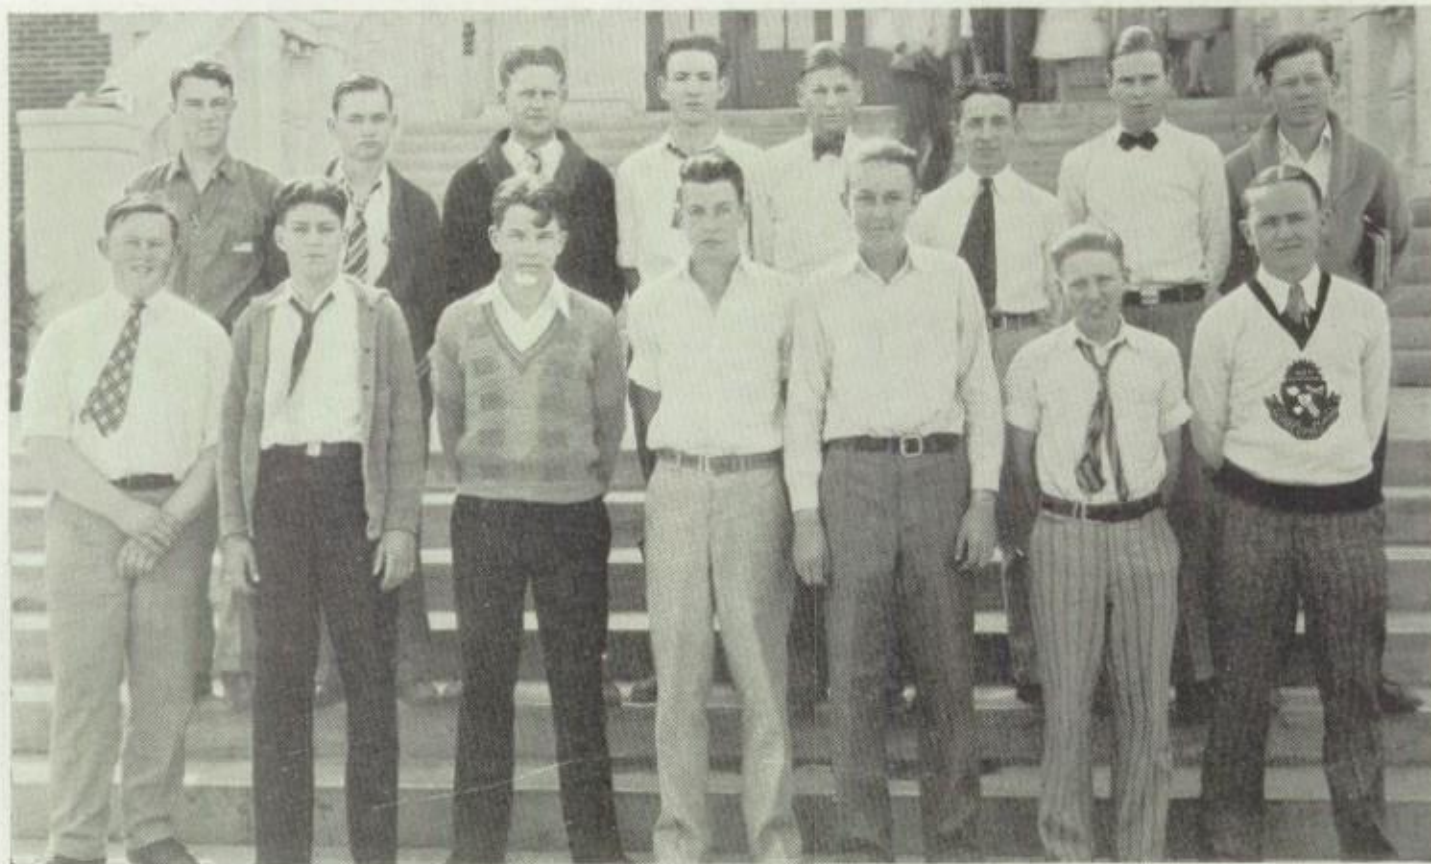

ORCHESTRA

LORRAINE WELCH - - - - - *Director*

In view of the fact that there was no orchestra last year some little trouble was had in arranging one, but through Miss Welch's persistent efforts Amarillo High School's finest and largest orchestra was having rehearsals by the middle of November.

Its inception has proved a valuable asset to the school. On February the 16th, the orchestra gave a fine chapel program. It has played for many school entertainments including the plays, "Daddy Long Legs", "The Princess", the Junior Hi-Y program, and the Laredo Taft lecture. Moreover, it has played for various civic programs such as "Abraham Lincoln", the entertainment of the Women's Federated Clubs, the Santa Fe employee's banquet, and many others. It won the fourth year orchestra division in the Panhandle Music Festival.

The orchestra furnished excellent accompaniment for the light opera, "Pickles" given by the music department. In addition, our orchestra played the processional and recessional at commencement.

BOY'S GLEE CLUB

MISS WELCH - - - - - Director

The boy's Glee Club this year was composed of 50 Junior and Senior boys. The club has been unusually active this year, having presented several chapel programs, sung for the P. T. A., and taken part in several evening programs. The boys' quartet, composed of Paul Smith, tenor, Raymond Daniels, second tenor, Willard Grantham, baritone, and Carroll Mitchell, bass, made several appearances. The club was divided into two periods this year, part meeting the first period and part the sixth.

The Glee Club this year also furnished the male cast and the male chorus for the operetta "Pickles", which was given the last part of March.

CHORAL CLUB

LORRAINE WELCH - - - - - Director

"Music is a necessary part of one's education"

The girl's Choral Club is composed of 144 girls. The club has given assembly, community, and P. T. A. programs. There were 224 students that took part in the operetta, "Pickles", 125 being members of the girl's Choral Club. The Glee Club and Orchestra assisted the girls in presenting "Pickles".

The Lyric Club, a special chorus, won second place in the Panhandle Music Festival.

"A" ASSOCIATION

HAROLD NUNN - - - - - *President*

CLEM SPEER - - - - - *Vice President*

KENNETH TRAVIS - - *Secretary and Treasurer*

ROSS LARSEN, MARVIN ERHARDT *Sergeant at Arms*

The formation of an "A" Association was the closing event of the 1927-28 Athletic season for the Amarillo High School. Coach Russell Smith, who succeeded Coach H. L. Butler, together with a committee of old letter men drew up the by-laws of this organization. The standards and aims of this association are to foster cleaner athletics; encourage good sportsmanship; and instill in Amarillo High School the laws of good citizenship through athletics. This association shall advise in all matters of general welfare pertaining to Amarillo High School Athletics.

It is the hope and plan of this club to have somewhere in the high school building a club room that will be a place where the boys will go for recreation and a place to pass their spare moments.

SANDSTORM PEP SQUAD

Mrs. Hugh L. Butler organized the Pep squad early in the year. She checked every student that wanted to enter because they had to come up to certain standards.

When the real Pep squad was organized there were 158 members. A constitution and by-laws were drawn up and passed by the club. The following officers were elected:

BONITA CAZZELL	- - - - -	President
WOODSON HARRIS	- - - - -	Vice President
CARMEN THOMPSON	- - - - -	Secretary and Treasurer

Yell leaders:

Azelle Boone
Dick Gibbon
Jim Boring
Wilma Donnell

The Pep squad supported the boys through football, basketball, and track. They also went out of town with them to important games. The squad was praised by the whole Panhandle for their work this year.

HOME ECONOMICS CLUB

MISS LENORA WALTERS	-	-	-	<i>Sponsor</i>
PAULINE PLACEY	-	-	-	<i>President</i>
ERMA DE WIGHT	-	-	-	<i>Vice President</i>
JOSEPHINE TISDAL	-			<i>Secretary and Treasurer</i>

The Home Economics Club was organized at the first of this year with Miss Walters as sponsor. Its main purpose was to create a more friendly feeling among the girls of the Home Economics department and to furnish a place for discussion of problems that are of interest to all girls.

The Home Economics Club is composed of sixty high school girls.

The club has appeared twice on assembly programs.

GIRLS' DEBATING CLUB

The Girls' Debating Society was organized in the fall of 1928 by Miss Oretha Cornelius, who has since acted as sponsor. It is our purpose to learn how to debate and speak in public.

As this is the first year a girls' debating society has been conducted, we feel that excellent work has been done and much credit is due Miss Cornelius.

The school team, consisting of Rosemary Booth and Louise Shea, was selected from the club. This team won four debates, one with Plainview, one with Lubbock, another with Memphis, and a fourth with Canyon.

The club is expecting to accomplish greater things next year. We are planning to send our team to State and we shall try our utmost to reach our goal.

ATHLETICS

IN MEMORIAM

A sensitive nature in which any person of high ideals could easily touch a responsive chord; a natural leader of boys but never dictatorial nor overbearing; sympathetic when sympathy was needed but firm even to sternness when occasion demanded or when a moral issue was at stake; courageous in time of stress but tender and gentle in time of sorrow; such was

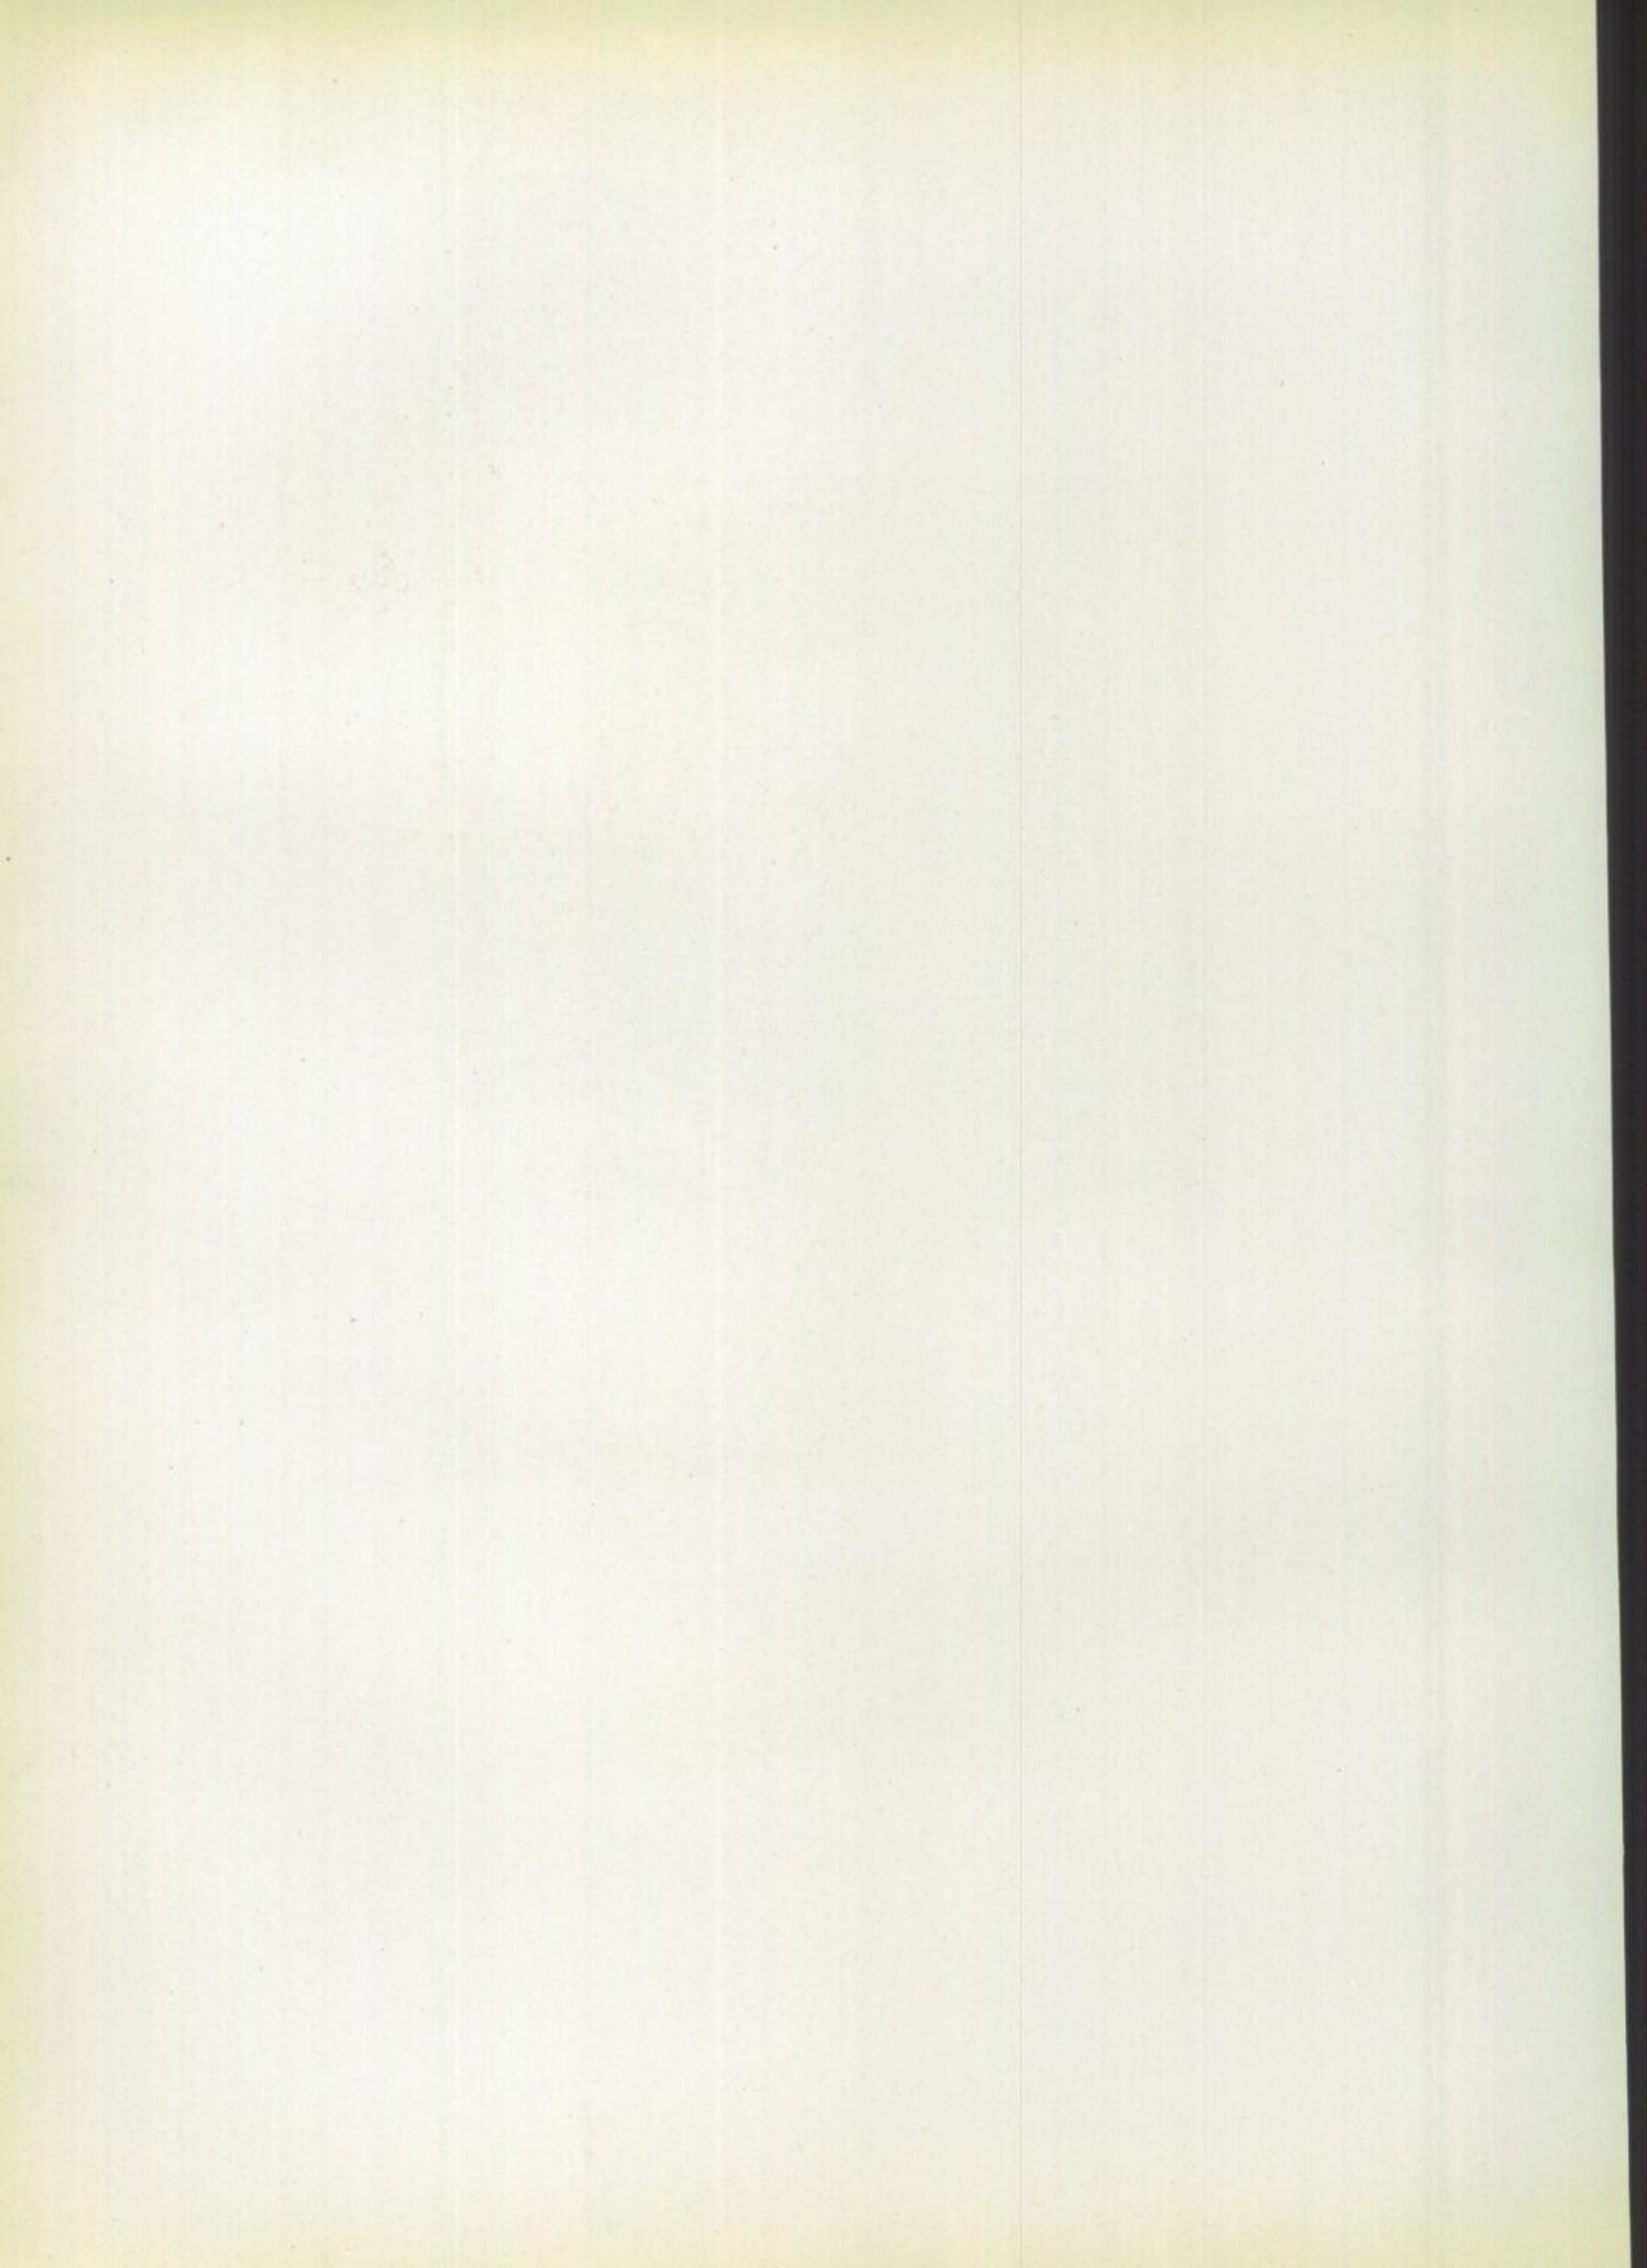

HUGH L. BUTLER

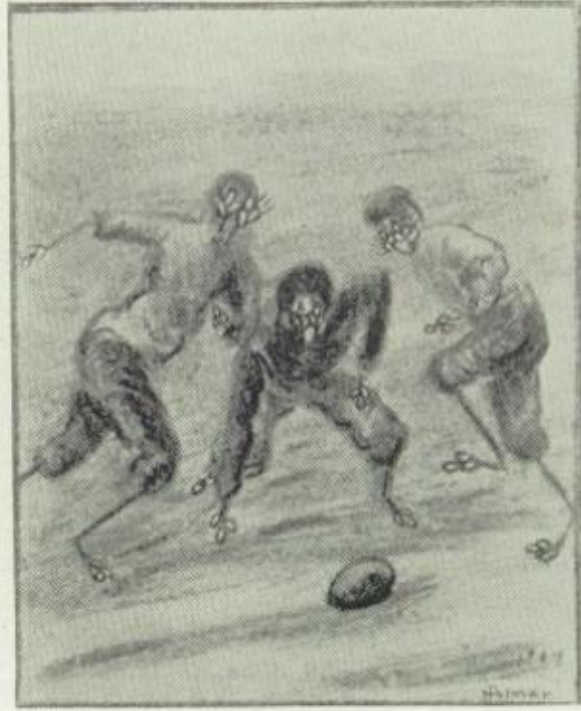

Fortunate are those who knew him intimately. We are better for his having been with us.

To him, in loving memory, we dedicate this Athletic Section of the 1928 La Airosa.

FOOTBALL

COACH HUGH L. BUTLER

This was Coach Butler's first year as mentor of the Sandies. And his success can be determined by the fact that he lead his boys to district championship this, his first season. He was a student of human nature and a man that got the best out of his men. He instilled the principal of "sportsmanship,, then victory" in his men and there isn't a one on the squad that doesn't feel that in "coach" he had a friend. One of the many things that has endeared him to his boys was his character training that put clean, manly living and fair play above all else. He was a man who understood boy nature and he taught them to play the game whether on the field or off; to be fair and square in victories, and to be true

sportsman in defeat. Our Coach had become an important part of our school life and we are glad that Sherman High School lost him to us.

COACH H. G. FARMER

Coach Farmer, who is Assistant Coach of the Sandies is a man whom all the boys love and respect. He is a man that puts the old fight into the boys, and gives them that never give up spirit which has been instrumental in leading them to an enviable place in football. He has shown himself to be a capable and efficient aid to Coach Butler and the Sandies and he is cooperation itself.

REVIEW OF THE SEASON

AMARILLO 58—CANYON 0

The Amarillo Sandies opened the 1927 season with the Canyon Eagles at Texan Park. With two weeks of training camp work to urge them on they were able to defeat the Eagles by a big score which helped to wipe out the sting of defeat that had been theirs from the past season. There were no outstanding stars for either team, yet the Sandies evidenced a spirit that was to follow them through the district honors. The game was marred by many fumbles which was a forerunner of the many gruelling hours of practice before a smoothly operating team could be made.

AMARILLO 26—PAMPA 0

The second game of the season played on the home gridiron was with the Pampa Harvesters. It was in this game that the fans began to realize the strength of the Sandie line and the machine work of the speedy backfield. The last whistle ended the game with a 26-0 score. The strong offensive playing of the Sandies was remarked upon by the followers and supporters of the Sandies and many predictions were made then and there for a continuance of victories. There was one incident of this encounter that dimmed the joy of the local boys and that was the loss of one of the outstanding prospective backfield men, Bill Flenniken, who suffered a broken shoulder.

AMARILLO 59—TUCUMCARI 0

The week following the game with Pampa the Sandies met another old rival in the Tucumcari Rattlesnakes. Although outweighed by the visitors the Sandies were easily "masters of the day". Not once during the game did the Rattlesnakes appear as a serious threat to the Sandie goal line. This Golden Sandstorm of Amarillo High was just too much for the New Mexico boys and they were forced by the superior playing of the Sandies to return to their "native den" with a 59-0 score.

AMARILLO 48—CLOVIS 6

This, the fourth game of the season, was from one standpoint a Waterloo for the golden Sandstorm, for it was in this game that their enviable record of not being scored against was broken for Clovis marked one touchdown against them. However the local boys were clearly the superior team of the two, and though many fumbles appeared at frequent intervals that old "never say die" spirit made the Sandies easy victors.

AMARILLO 13—LUBBOCK 0

This game marked the first Interscholastic League Contest for the Sandies. The Lubbock Westerners repeatedly attempted the lateral pass that had been used in previous games by the Sandies and because of this fact the visitors were unable to gain on this pass. The Sandie linesmen, with a determination that was so characteristically theirs, acted as the necessary wall to stop the Westerners offensive plays. Travis, displayed in this game, the best generalship he had up to this time in the whole season. Gains made repeatedly by Walker and Doeblor made the Westerners goal line an objective easily obtained. The Amarillo team seemed at its best on this day and began to show the type of line work and backfield work that must sooner or later make the other district contenders sit up and take notice.

AMARILLO 33—QUANNAH 0

The first game of the season on foreign territory was with Quannah. It might be spoken of as the poorest exhibition of football the Sandies made the entire season. Fumble after fumble made the game anybody's for the first half. After the second period began the Sandies began to display the brand of football they had used in previous games and were easily victors from then on till the last whistle. A 33 to 0 score marked the second Interscholastic League victory for the Golden Sandstorm.

AMARILLO 18—PLAINVIEW 6

Plainview Bulldogs were the next gridiron foes to be vanquished. And they proved to be a much easier obstacle to overcome than the score indicates. On the second play of the game Gibson ran for the first touchdown and after that the Sandies took things easy and Coach Butler used two full teams to continue piling up the final score. The only touchdown made by the Bulldogs came after a sweeping end run and successive line plunges against the second team.

AMARILLO 7—VERNON 0

This game was really the classic of the whole season. The game was a scoreless tie until the last few minutes of play when Walker and Hopkins were finally able to push the pigskin over the goal line through a series of end runs. The teams were evenly matched and for a while the outcome looked skeptical for the Sandies, who were more than ever determined to win district championship. It seemed that the Vernon line was immovable and very few opportunities were had for the fleet Sandies backfield to march down the field. The end runs called for at the crucial time by Quarterback Travis made the game a victory for the local boys. The large delegation that followed the Sandies down on a special train was evidence of the enthusiastic support they were being given during the season and it was because of the frenzied appeal and help of these followers that the Golden Sandies were able to chalk up another victory.

AMARILLO 28—ELECTRA 0

At last the Sandies were home for a contest. The Electra Tigers came to Amarillo with a determination to defeat the Sandies, and because of this feeling they gave the boys a tussle. However the Sandies outplayed them all through the game and the Tigers were never able to penetrate the Sandie line for many gains, while on the other hand the offensive play of the Golden Sandstorm with the good interference of the line made easy victors of the fray.

AMARILLO 22—WICHITA FALLS 6

This game played in Amarillo on Thanksgiving Day was the game which would decide the District Champions. Both the Sandies and the Coyotes entered the contest with a "do or die" determination and as a result it was one of the "hottest" games of the season. The Sandies outclassed the Coyotes throughout the entire periods of play and none who saw the game could do other than agree with the final results of the game. The Coyotes were unable to get anywhere with their passing attack for the beautiful work of Hopkins as an interceptor of passes was never better than on this day. The Sandie line was an impregnable wall, and the "brilliant toe" of Walker was responsible for the Coyotes having to return the ball many yards before ever entering the scoring zone. This was a game witnessed by the largest crowd that ever attended a game in Amarillo.

AMARILLO 6—ABILENE 46

Amarillo's rival for bi-district honors was just too much for the Sandies, but the highest praise should go to the Sandies for that "never give up" spirit displayed by them from whistle to whistle in this game. Though hopelessly outclassed both in weight and speed the Sandies never ceased to fight. They fought with every ounce of their strength till the last whistle and their best was not enough so to them came the first and only defeat of the entire season. The score being 46 to 6 in the Abilene Eagles' favor.

As a fitting close to this brief review of the season an appreciation for the undying loyalty, fighting spirit, unquenchable determination, and fair play of the following Sandies who will leave us through graduation is given:

Captain Ross Larsen.
Fred Hayden.
Pelham Hopkins.
Marvin Erhardt.

WARD HUDGINS, "Cully"—*Halfback*

Cully was backfield captain this season and at his position of halfback he just wasn't there when the man, who was to cover him went out for him, for he was usually racing down the field with the pigskin safely stowed away under his arm.

ROBERT WALKER, "Bob"—*Halfback*

Bob is the "Harry Lauder" of the Sandies squad. Not only that but he is one of the shiftiest, flashiest halfbacks to ever wear a Golden Sandstorm uniform. His "brilliant toe" dealt misery to many opposing teams this season—ask the Wichita Falls Coyotes.

CHARLES DOEBLER, "Deb"—*Fullback*

This is Debs second year on the team and he's the boy that doesn't know what the word "quit" means. He's a fighter from start to finish and a peach of a sport. Another case of "still water runs deep". A flashy backfield man that is responsible for many of the Sandies yardage gains.

KENNETH TRAVIS, "Travis"—*Quarterback*.

The man that stimulated the fighting courage of the team as he directed its attack. A quick and conservative thinker a firm field general, and an inspiring personality is what Travis means to his teammates and his coaches. He is the one other man that played every second of all the season's games.

ROSS LARSEN, "Rosie"—*Captain-Tackle*

This "Fighting Captain" is one who will long be remembered in the history of Amarillo High School athletics—he is to be appreciated as a gentleman and a football player. This is his third year on the regular team, and each year he has held an enviable record. Ask any of the boys what they think about "Rosie". Good luck to you "Rosie".

HAROLD NUNN, "Bull"—*End.*

"All right, let's go, Fellas" quotes Nunn to his teammates. That means more than the words themselves, for 'tis the quiet, yet emphatic way in which he speaks the words that brings life, fight, and success to his teammates. Nunn is a good student of the game of football as well as a past master of his position on the team.

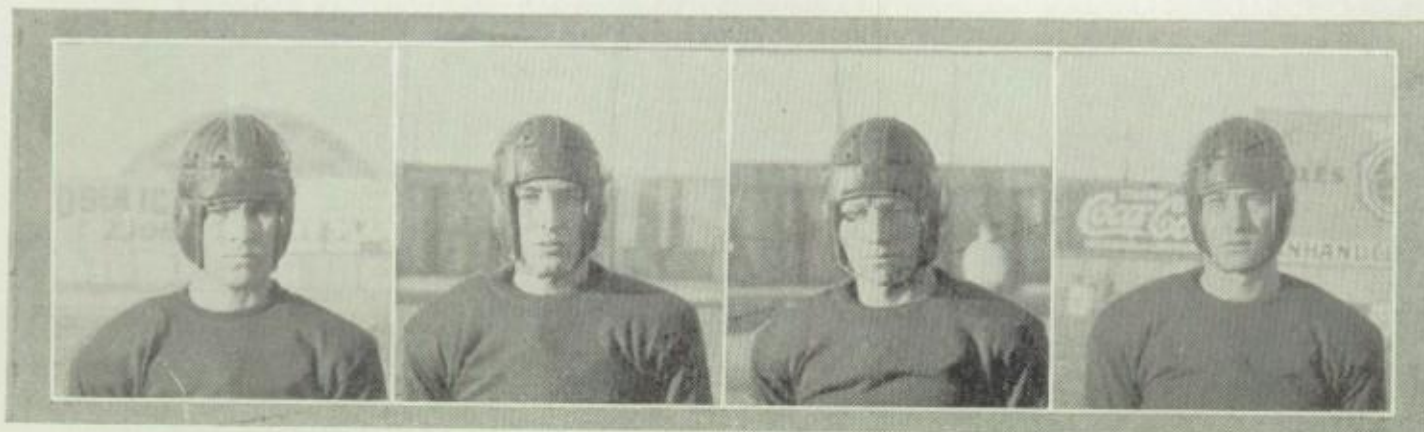

FRANK REDDER, "Redder"—*Center*

There's just one other man on the 1927 team that holds the record that Redder does. Most of you know that Redder played every second of every game this season. Ask some of the opposing centers just how he stacks up as to strength. And for passing—well, he made very few bad ones.

FRED HAYDEN, "Freddie"—*Guard*

The "Fighting Tunney"—He should be called "Stonewall" Hayden for that's exactly what his opponents think about him. He just doesn't budge when he's assaulted by the enemy. He has the endurance of a giant even though he has the size of a midget. We will miss you next year, but here's the good wishes of the whole school wherever you go.

PELHAM HOPKINS, "Hop"—*Halfback*.

The man that never lets a forward pass get by. He ruined many teams hopes this season by breaking up those, long, sure-gaining passes. This is the first and last year for Hop on the Sandie team. Someone's going to have to step lively to successfully fill his place next year. Good luck, Hop.

WILLIE MAC GIBSON, "Bill"—*Halfback*

This is Bill's first year on the team, and he was always there. With another year of experience he's going to make other high schools sit up and take notice. Bill has the spirit, the fight and the personality to make a success wherever he goes. The boys will swear by him and the coaches like him.

WAYNE LARSEN, "Weinie"—*End*

Weinie is a small man, but possesses a football heart, and a will to do that has made him a threat at his position. Just get Weinie "mad" and a whole troop can't stop him. He's going to be a "cotton-headed" danger against any opponent.

HERMAN CONKLIN, "Conk"—*Guard*

"Let's get this right" Conklin. That is a typical trait of "Conk". Always know you are right and then go ahead. Folks are going to hear from Conk next year, for he's sure to deal misery to his opponents when they hit the Sandies line.

JIM CLAYTON, "Himy"—*Tackle*.

This is "Himy's" second year out and first year on the team. He is one of those "don't give up the ship" boys and you may always know that old "Himy" will be in there fighting till the last whistle, and let me say right here that few gain over his part of the line.

GASTON DOBBS, "Dobbs"—*End*

Whe-e-e-e, a bit of dust, and Dobbs is off and it would take a fast dog to catch him, for he knows where he's going and it takes power to stop him. Knowing what he has done this year and knowing that this is his first year on the team you may begin your predictions right now.

CLEM SPEER, "Speah"—*Tackle*.

"Speah" puts all he has into the game, and it is enough to scare his opponent to death. His drive will tear up any line and he is a man that seldom has to be told twice what to and what not to do. He has a pride in his team and he certainly helped make the 1927 team the pride of the town and school.

HERMAN BOLES, "Shorty"—*Student Manager*.

When we think of all the duties of a manager, we want to say and with all sincerity—POOR SHORTY. He doesn't need our sympathy for, he's the type of boy that willingly and cheerfully performs all his tasks and then had his fun. You may wonder how one individual can be in a dozen different places at once—ask Shorty, he will tell you. The coaching staff could have looked the world over and never have found a student who could so capably and cheerfully fill the place of Manager as Shorty has done.

YANNIGANS

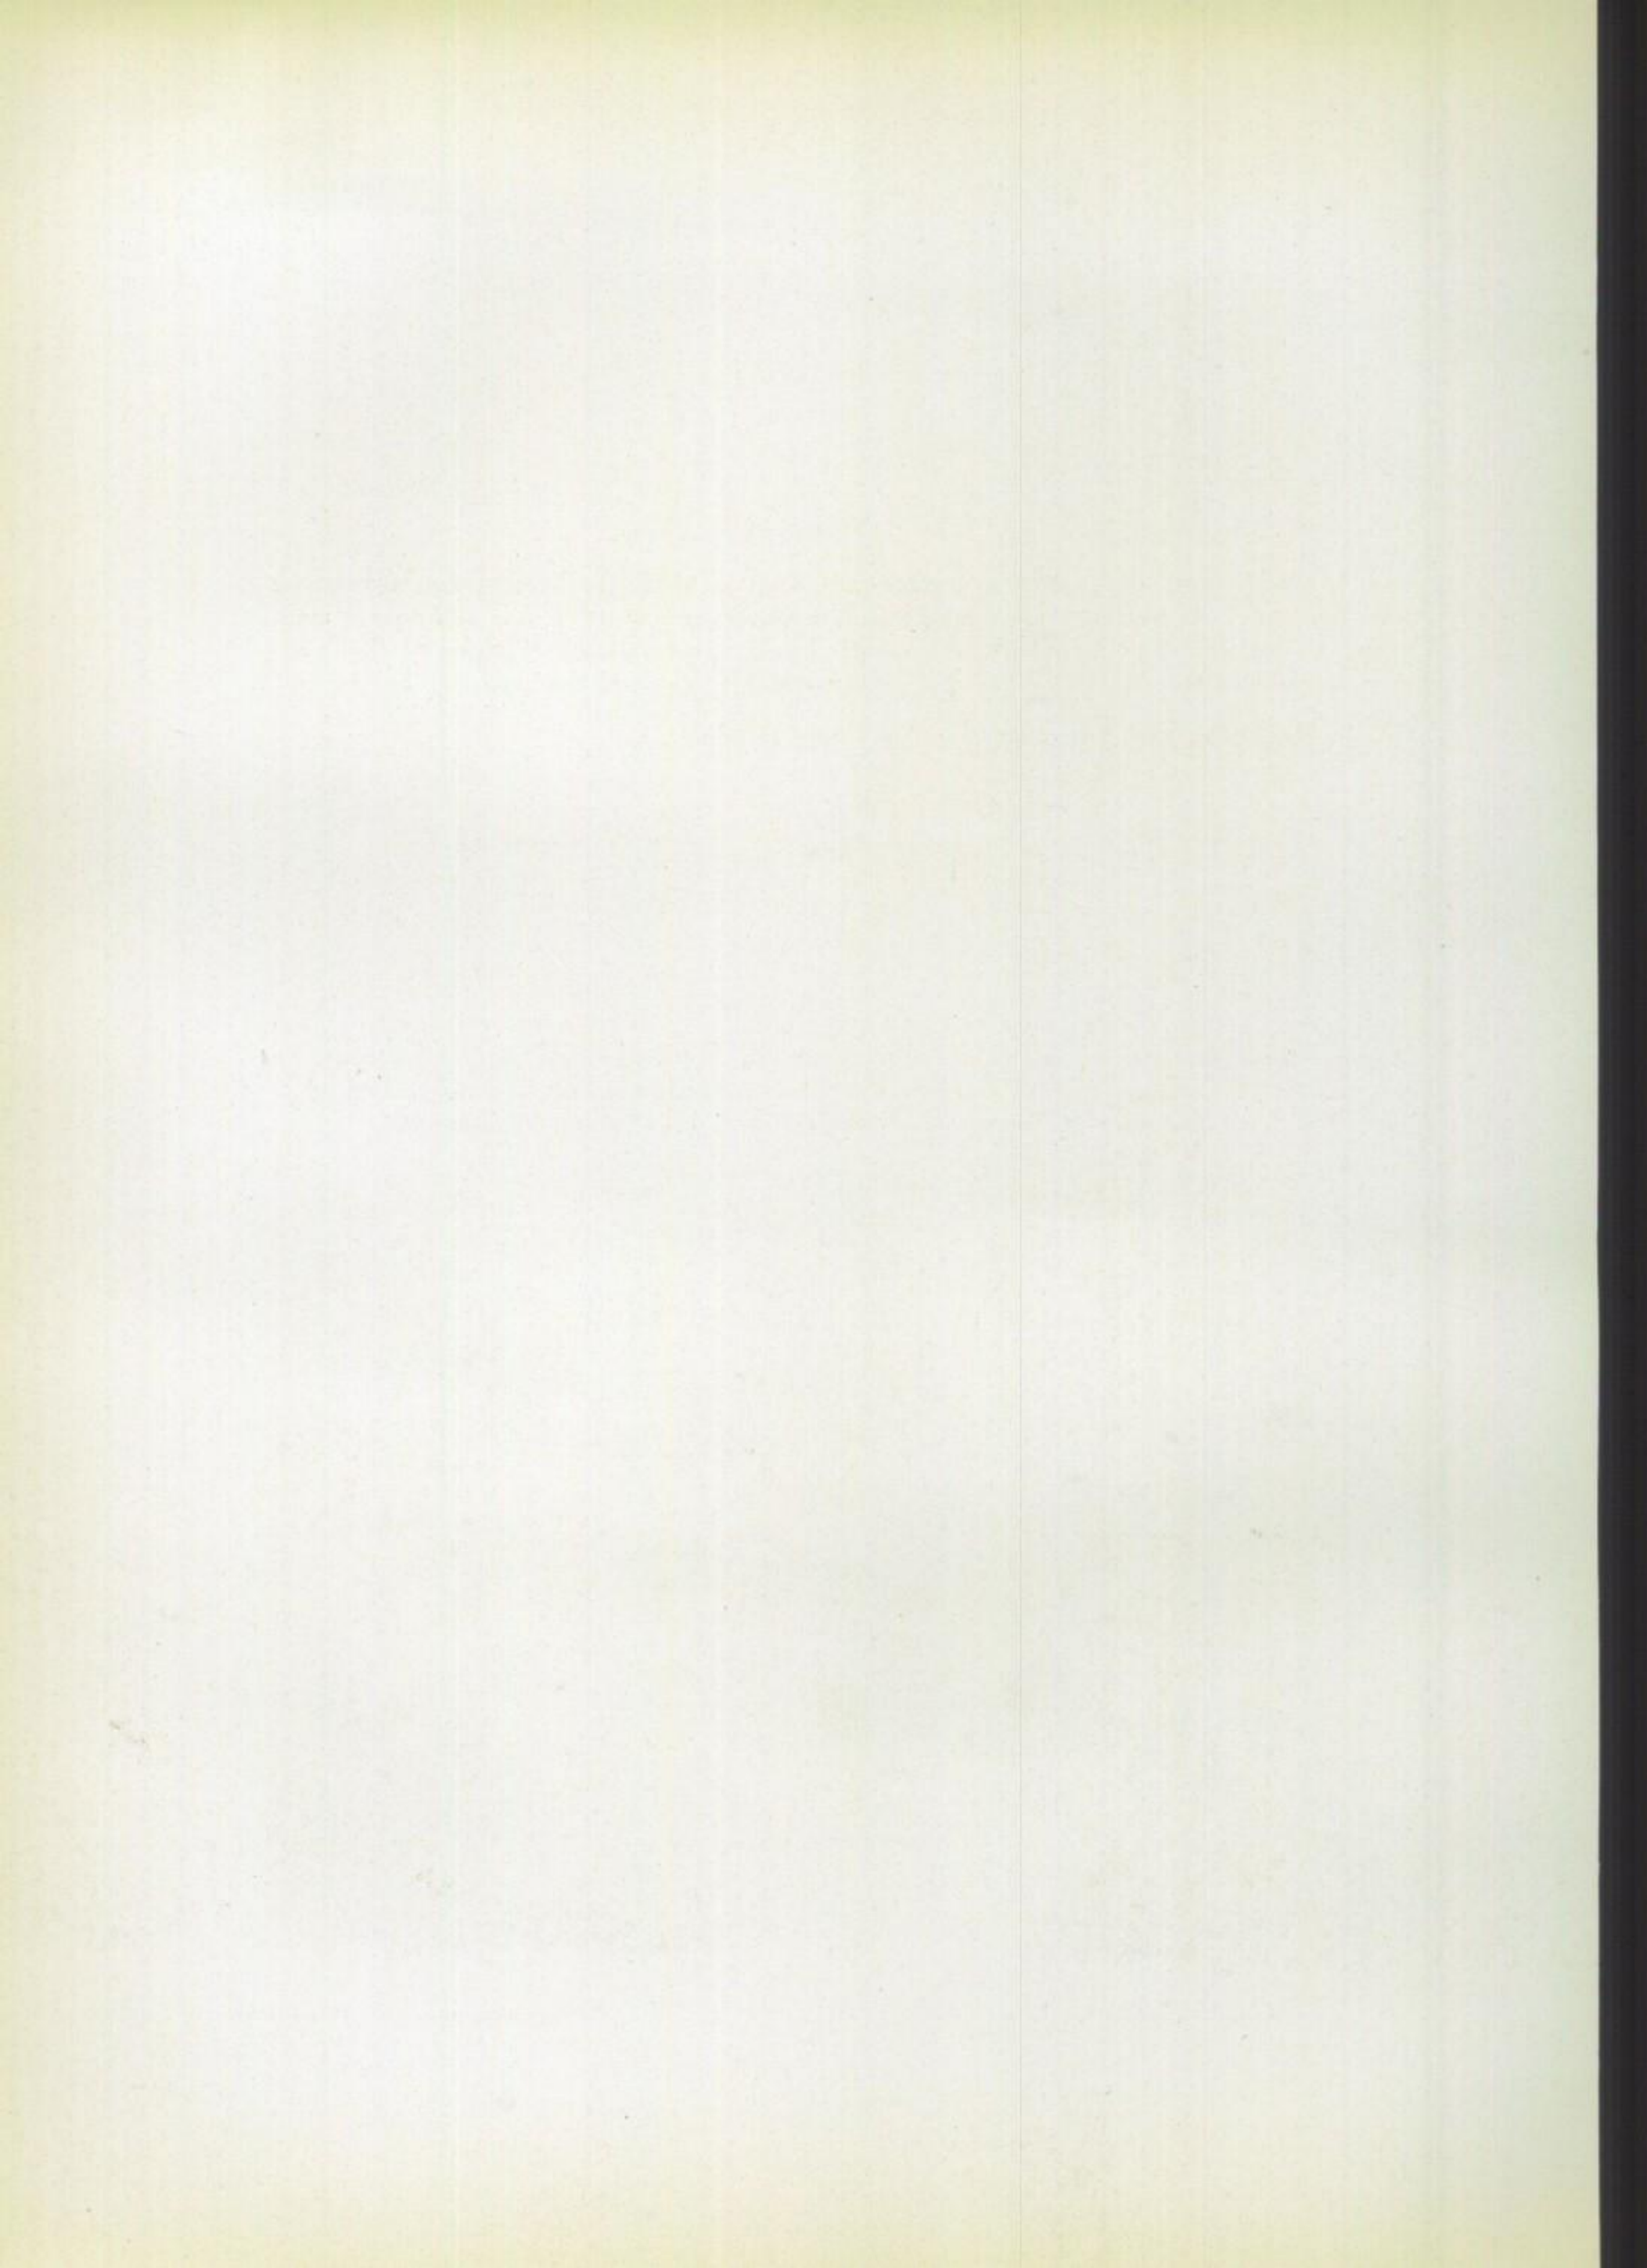

Coach, T. G. HULL

Coach Hull, the Yannigan mentor, is a vital factor in the lives of the boys whom he has under his training. A friend to all, a dead game sport, a fair and square man, and an inspiration to his men, that's Coach Hull. Just watch the smoke of the Yannigans if you want to know the real ability and efficiency of the man.

Remember the Yannigans are the future Sandies.

BASKETBALL

REVIEW OF THE SEASON

AMARILLO 19—EL PASO 29

AMARILLO 20—EL PASO 22

The Sandies opened the basketball season with two games with El Paso, losing both by scores of 29-19; and 22-20. The first game was clouded by a tragedy that was felt throughout the season. Captain Blades sustained a broken leg the first few minutes of the first game. This injury kept him out all season and deprived the Sandies of one of the best scoring men of the club.

AMARILLO 28—PANHANDLE 25

In this game, Travis, the Sandies' flashy forward, scored 14 of the Sandies' 28 points. The floor work of the Sandies excelled that of the rival team and each player showed that superior fight and ability that is so characteristic of the wearers of the black and gold. This was a game that made the fans sit up and take notice.

AMARILLO 16—STRATFORD 19

The game that was the classic of the season was the Stratford-Sandie game. When the last whistle sounded the score was tied by Walker, who shot a long field goal that gave the Sandies the necessary 2 points to tie the score. Five minutes extra was called for but this time the visitors were favored and the game closed with a 19-16 defeat for the Sandies.

AMARILLO 34—TULIA 22

This game was another evidence of the strength of the Sandies. They were easily masters of the occasion and had little trouble in defeating the visitors. Each Sandie displayed smooth, efficient floor work.

AMARILLO 9—SHAMROCK 10

The score of this game indicates nothing. The "Irish" lucked out, for both teams played a very poor brand of basketball. As to floor work and execution of plays the Sandies were clearly superior to the visitors, but the basket just wasn't there when that ball was tossed goalward by our goal shooters.

AMARILLO 20—CANYON 33

Canyon proved the district Waterloo for the Sandies. This was the game that decided the bi-district contenders from the Panhandle. Things looked bright for the Sandies the first half, but luck began to forsake them and when the last whistle sounded, the gold and black suffered a defeat that eliminated them from district honors. W. Larsen, Travis, Van Noy, and Walker were outstanding players in this game, and they bid fair to make things uncomfortable in this district next season.

"BETTER LUCK NEXT YEAR"

From the standpoint of games won and lost, the Sandies basketball season was not successful. Seven games were lost and four won. There were six letter men back; but none of these men had had enough experience for Coach Butler to mould a District Championship team out of. The Sandies, although they were beaten most of their games, piled up a total of 257 points to their opponents 256 points. None of the men of this year's team will graduate and next year from all prospects the Sandies should go far in the State race.

KENNETH TRAVIS, "Travis"—*Center*.

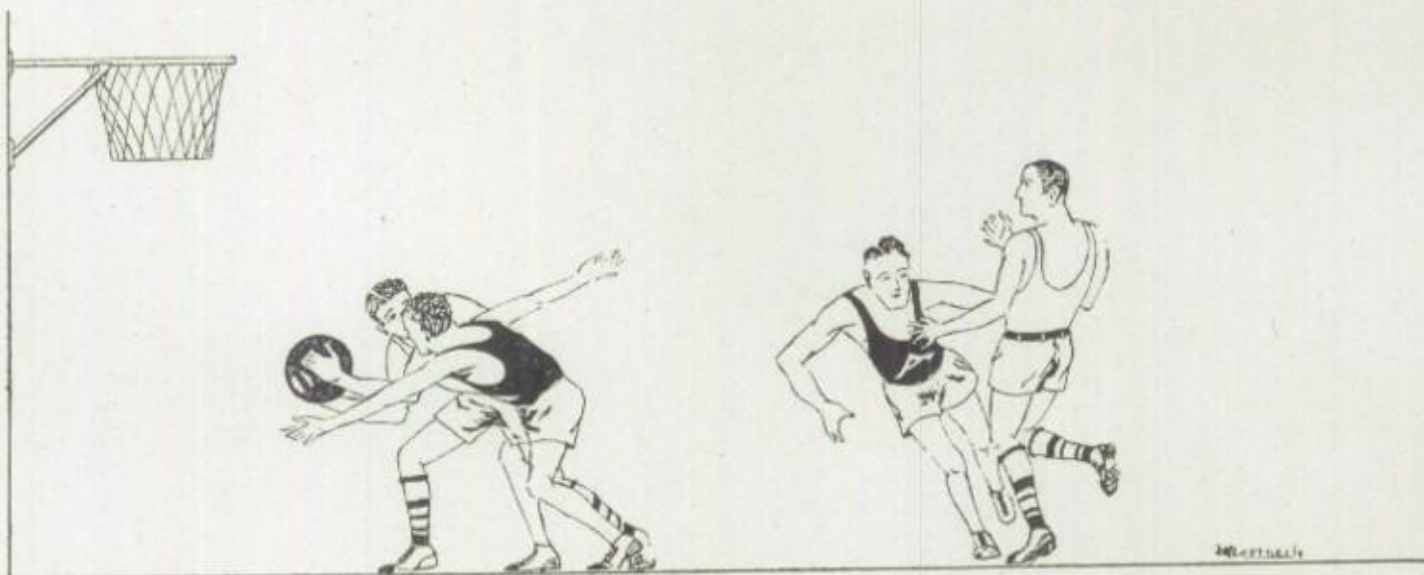

Travis is a center that is fast, aggressive, and skillful in handling the ball. He succeeded Blades as captain and might rightfully be called a fighting captain. He is high point man for the Sandies in all games except one and he is the Sandie that dealt misery to his opponents.

FRANK VAN NOY, "Van"—*Forward*.

Van is a brand new find and he is a peach. He fights every minute of the game and is fast on the floor. Just a little more experience and he is going to be hard to excel.

BOB WALKER, "Bob"—*Guard*.

Bob proved a valuable man to the Sandies this year even though it is his first year out. He is always on his toes and ready to go. He was one of the fastest guards Amarillo has ever had.

CHARLES DOEBLER, "Deb"—Guard.

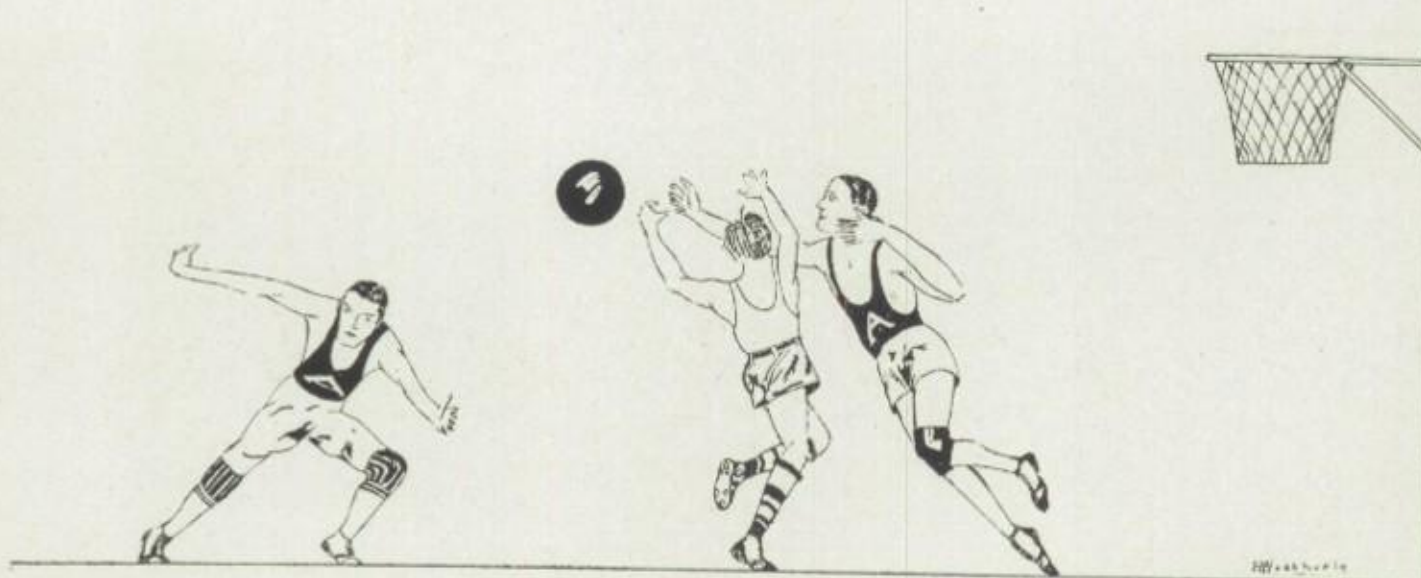

This is "Deb's" second year and at his guard position he kept many opposing teams from scoring. He is just too hard to get through. If you have never seen "Deb" snatch the ball away from the opponent and pass it on to his own team you have missed a treat.

WANE LARSEN, "Weinie"—Forward.

"Swede Larsen is small but loud" if you don't watch him in action. He is a cotton haired Sandie that had to be watched by all. He is always ready to go and ready to fight until the last gun. Weinie is playing his second year and will be back next season.

KENNETH ALEXANDER, "Alex"—Center.

This was Alex's first year on the team. Alex is a newcomer here. He fights from start to finish. Alex don't know what it means to quit fighting.

DOROTHY PEAKE—*Left Forward*

Dorothy is quick and a good field worker. She should develop into a real player next year.

THELMA MATHEWS—*Running Center*

ALLYNE WELCHEL—*Guard*

Allyne was one of the most consistent players on the team. She was all for team work.

LUCILE HYDEN—*Left Forward*

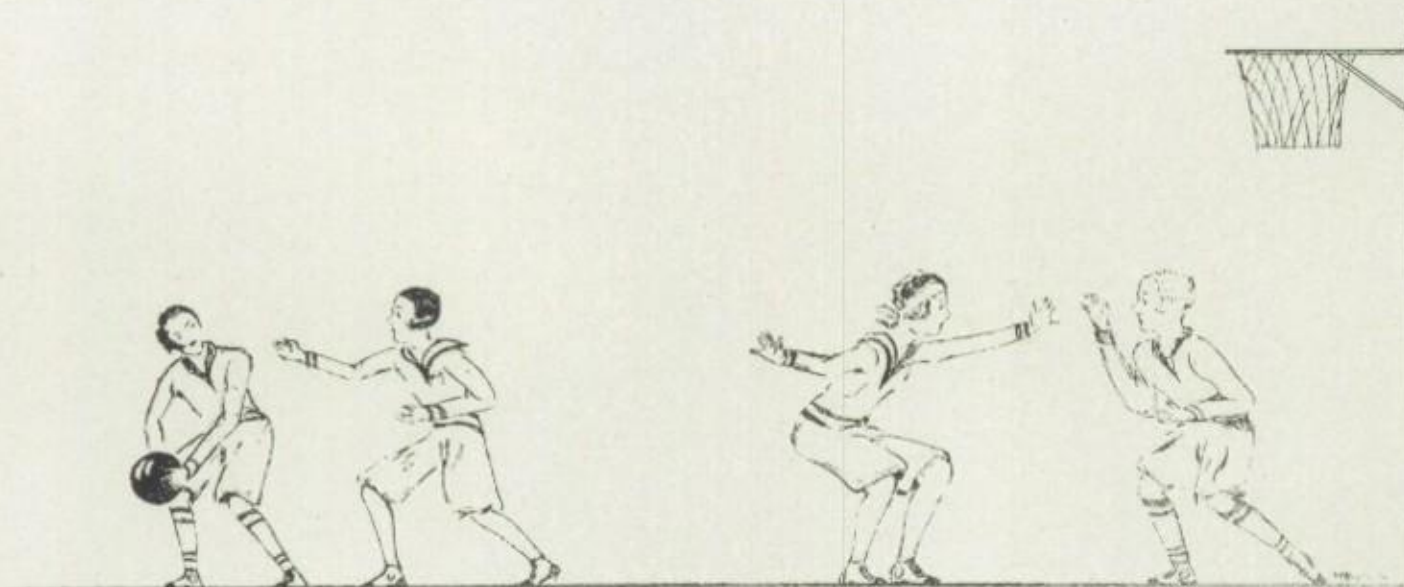

Lucile is a consistent player. She is slow but always sure of her baskets.

APAL DAVIS—*Right Forward*

Apal was high point girl on the team. She scored 94 points during the season. She is very quick, active, and alert.

FERN WHITE—*Guard*

Fern and Allyne, the two guards, worked together in an excellent manner. They both displayed real team work.

LOUISE FARIS—*Jumping Center*

Her motto is "win or bust". Very few balls passed over the center players. Louise is good on the juggle, a play very few girls can use.

JULIA BOYDSTEIN—*Captain—Running Center*

Julia has been on the team four years. She shows excellent head work, and is a good field player.

EILEEN ROBERTSON—*Right Forward*

Eileen is a quick thinker and a very close observer. She was the fastest girl on the team, a good dodger with the ball, and the best girl on long shots.

MRS. DOSSEY—*Coach*

Mrs. Dossey is an excellent coach. She understands her girls and has the ability and drawing power it takes to develop a "winning spirit among the girls." She develops them physically, mentally, and morally, and instills in them the spirit of good sportsmanship.

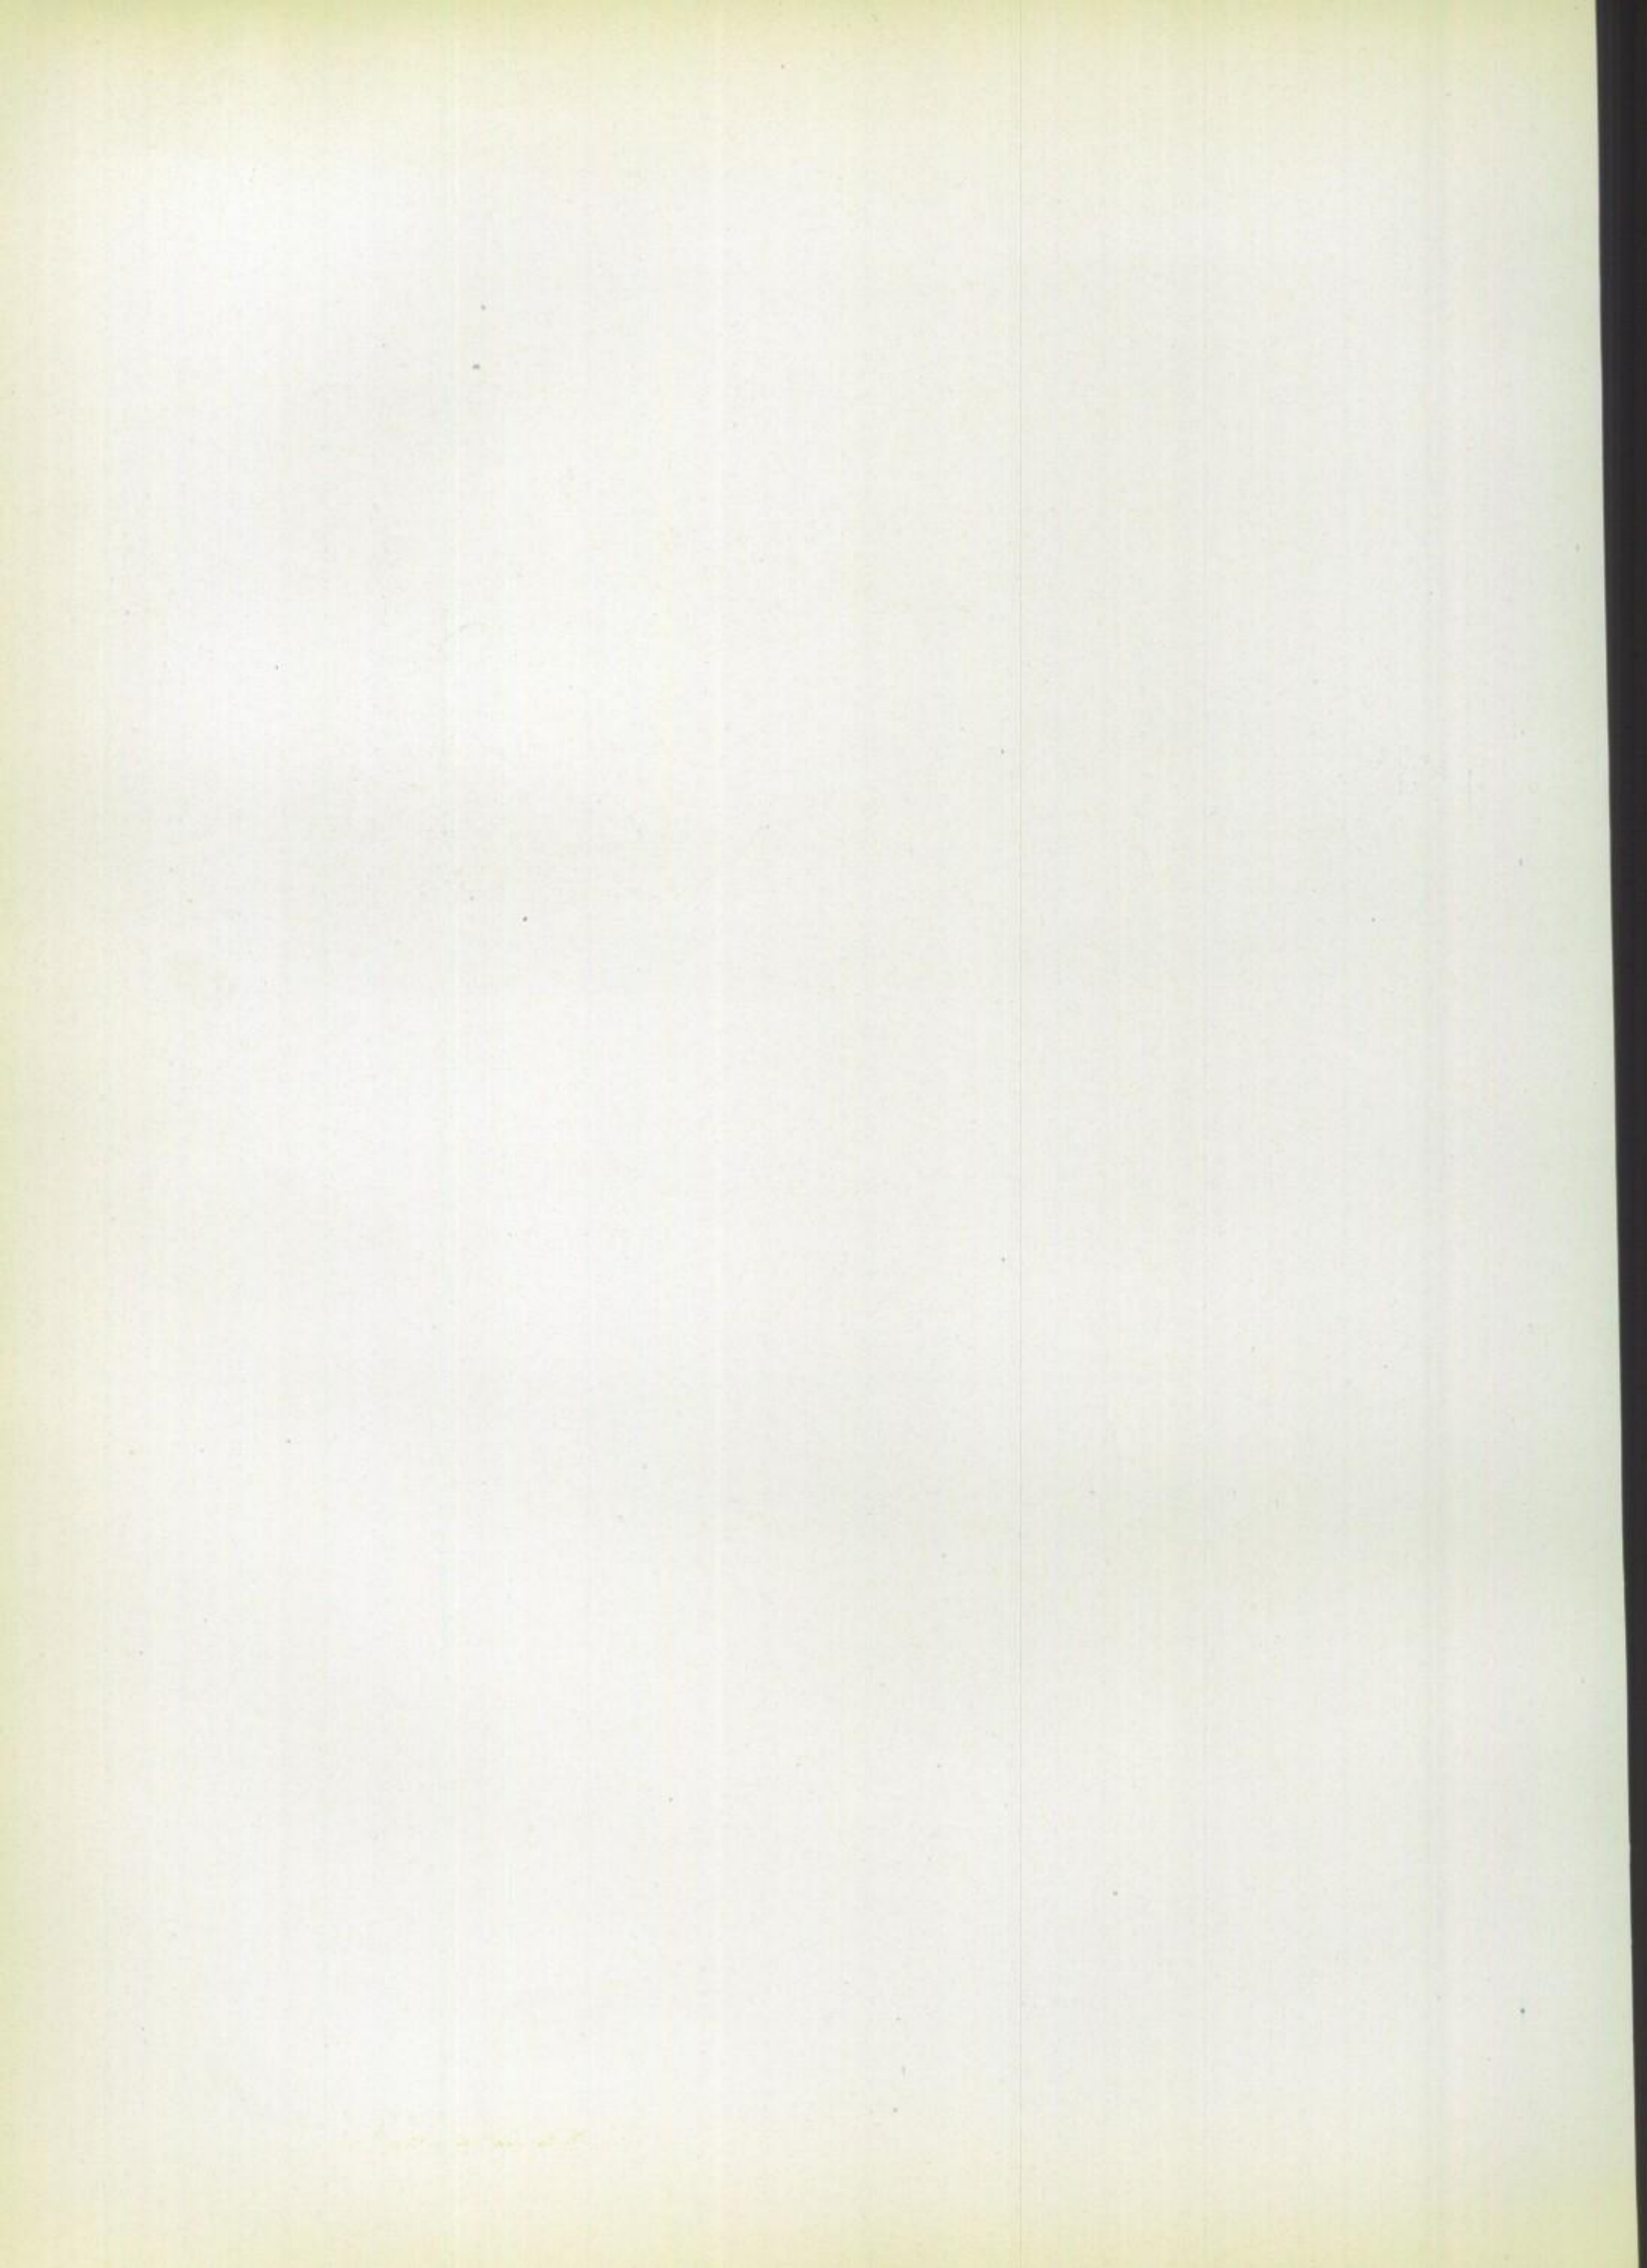

VOLLEY BALL TEAM

MRS. DOSSEY - - - - - Coach

The Girl's Volley Ball team won the Interscholastic meet April 20th at Canyon, having won seven games out of nine. This was the first athletic cup Amarillo girls have ever won.

As a team the girls are very quick, good thinkers, and know their stuff when it comes to play. They have good team work and use good judgment in placing their balls.

The fighting spirit of the team is what pulls them on. They talk ball and they play ball until that spirit develops. Then they get down and stick to it until they win.

TRACK

In answer to Coach Butler's call for track candidates some twenty boys responded, most of whom were green men. Consistent practices were held each day and the green men developed into a team that won the district from some of the stiffest competition that District No. 1 has known for several years. The outstanding men of the season were Borden, Doeblor, Dobbs, Erhardt, Hudgins, Travis, and Van Noy. However much commendation should go to the other men that helped develop the well balanced Sandie machine. The latter part of the season Coach Farmer took the team in charge and gave them the finishing touches before the district meet. Much credit goes to Coach Farmer for giving to the Amarillo High School a track team that was easily winner of the district meet.

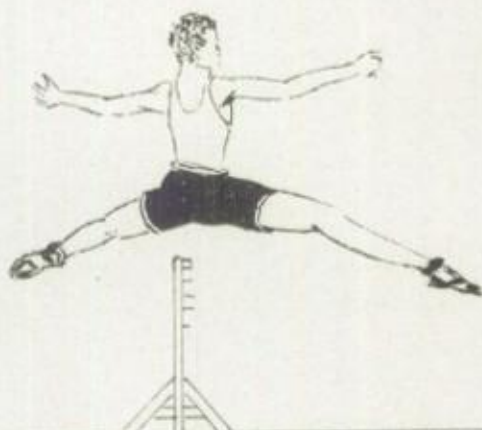

WARD HUDGINS

Cully placed in the 220 and ran a lap on the relay at district. He is one of the fastest men the Sandies have had for some years. Cully will be back next year and great things are expected of him.

MARVIN ERHARDT

This was our manager's second year on the track squad. He won two places in the field events. No-creek threw his last discus, at Canyon in the District Meet, for the Golden Sandstorms.

GASTON DOBBS

Dobbs ran the 220 and a lap on the relay. He placed third in the 220 and ran an excellent lap on the relay. Dobbs has two more years and should develop into a "Charles Paddock".

CHARLES DOEBLER

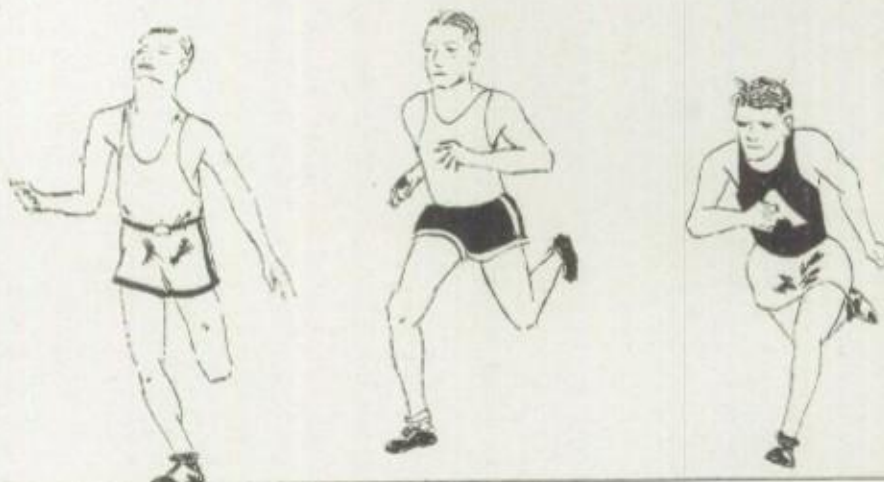

This was Deb's second year on the squad. He ran the righ and low hurdles, broad jumped, and hi-jumped. Deb will be back next year and should win every event he enters at district.

KENNETH TRAVIS

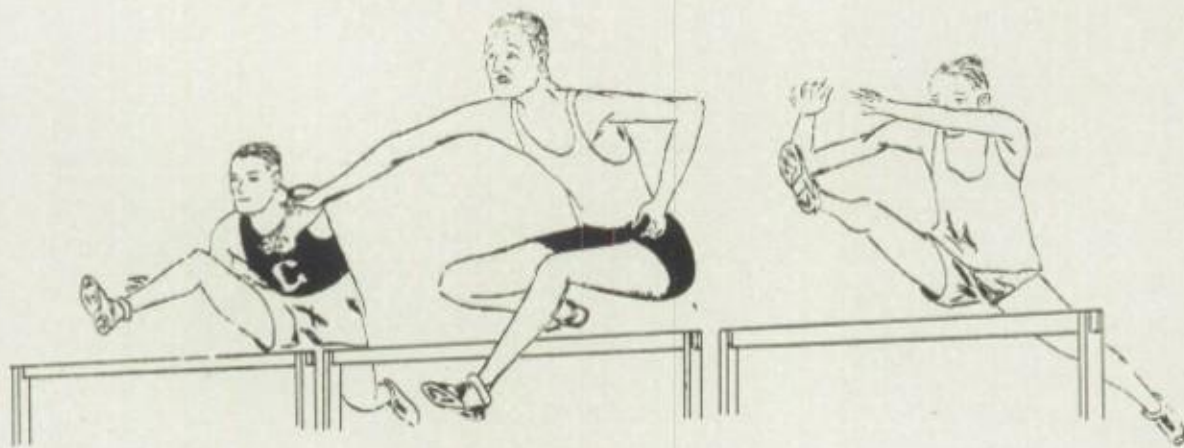

Travis was the track surprise of the season. This was his first year and he ran his lap on the relay with the fleetness of a deer. He bids fair to do things in track next season that will make the Sandies a formidable evening to any Panhandle team.

FRANK VAN NOY

Van was one of the greatest assets on the Sandies track squad. The whole school is proud of the way he ran his races at district. With another year's experience Van will develop into one of the best men the Panhandle has ever produced.

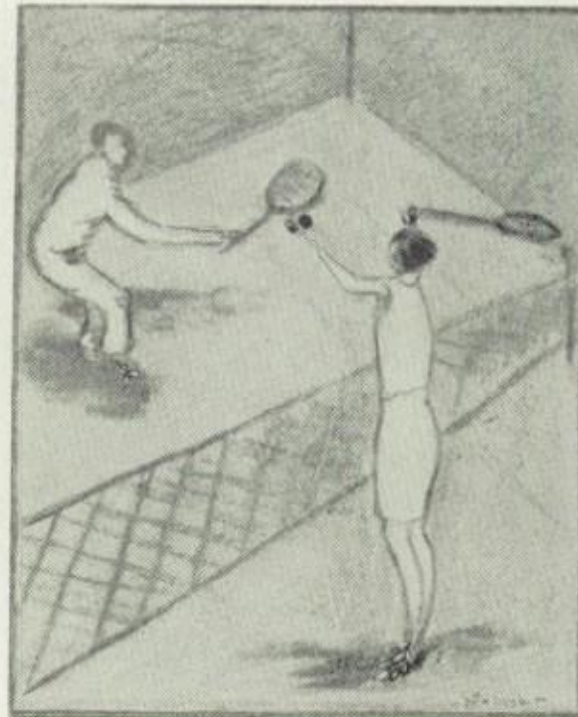

FRANK BORDEN

This was Borden's third year to letter in track. History repeated itself and Frank again won the 440 at the District Meet. He runs a lap on the relay and hi-jumps. This was Borden's last year.

TENNIS

The Amarillo High School Boys and Girls tennis clubs for 1928 showed a decided increase in membership and ability over anything in preceding years. Daily practice schedules were arranged for by Coach T. G. Hull. These daily schedules were supplemented by arranged games with other schools of the district previous to the meet in Canyon. Undaunted by the weather conditions which oftentimes made outdoor practice impossible, the tennis folks worked in the indoor gymnasium. Such persistence was rewarded in the district meet when all qualified players went into the semi-finals before meeting defeat.

The students chosen to go to district were: Coleman Barnhill, Bill Flenniken, John White, Bonita Cazzell, Gertrude McConnell, Nettie Miller. Graduation will claim Cazzell, White, Flenniken, and Barnhill. Next year's team will likely be chosen from those boys and girls who were so faithful in adhering to the scheduled practice periods this year. With these men in reserve Amarillo should be dangerous to competitors at the District Meet.

COLEMAN BARNHILL

Barnhill is an excellent tennis player. He has a serve that is nearly impossible to get and his playing all over the court can not be equalled. He won first place in singles at District.

DILLARD BUCKINGHAM

Buckingham is a very good net man. He places his balls well and puts lots behind them. His serve is hard and his driving power good.

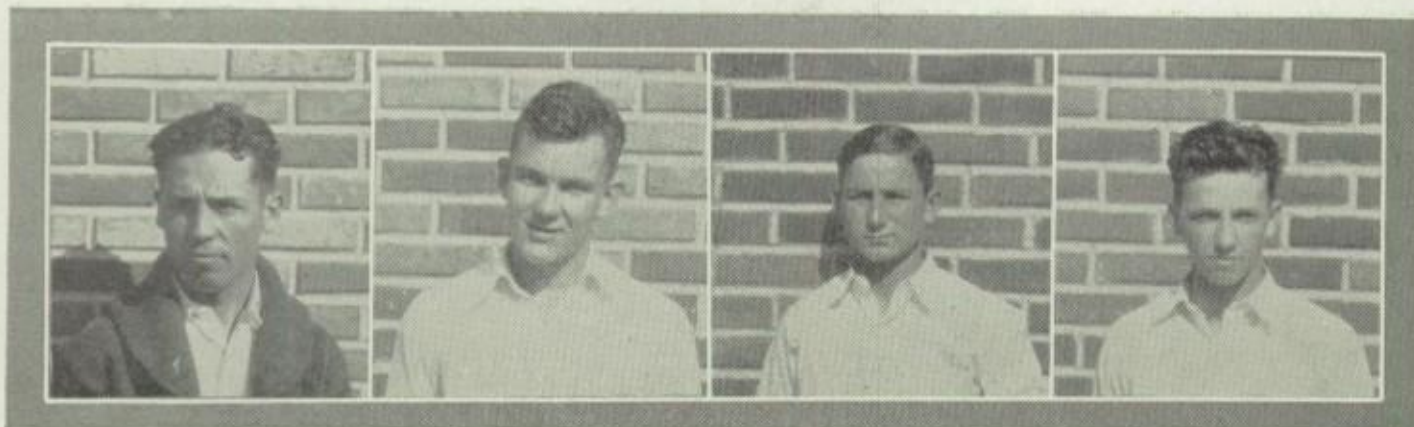

BILL FLENNIKEN

Bill has played tennis doubles in high school for several years. His serve is hard and his net playing perfect. He played at District, with his partner White, but was eliminated in the semi-finals.

JOHN WHITE

White and Flenniken are very good doubles players. Both are of about the same standing. White is a good tennis player and we wish him luck in the future.

COACH HULL

Hull helped the boys lots this year in every way. He got many matched games for them and helped them to better their weak points.

GENE MEYER

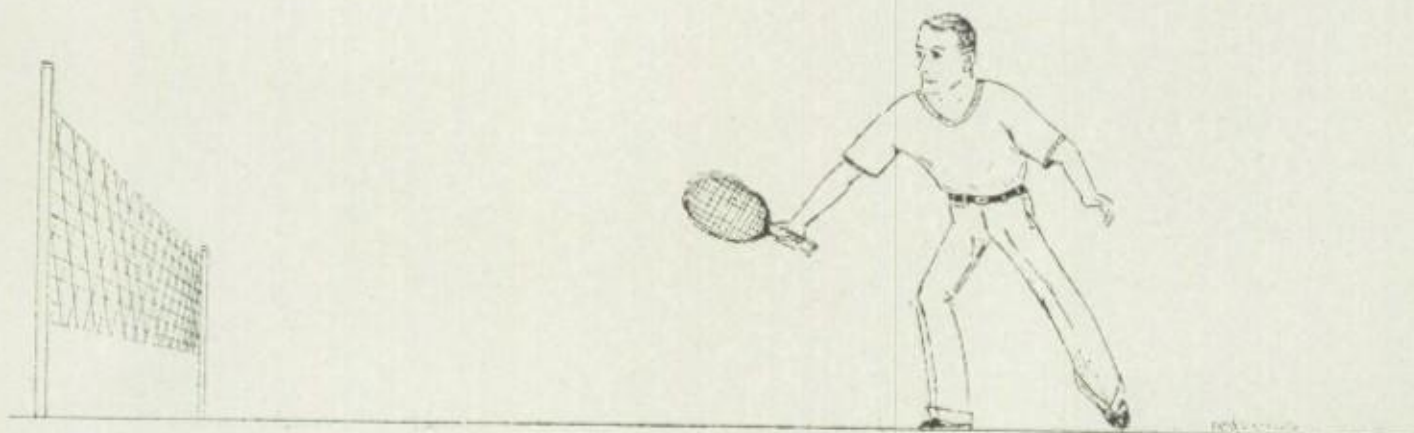

Meyer is a good tennis player. He has a good serve and back hand. Gene did not play at District but we hope that he made a letter.

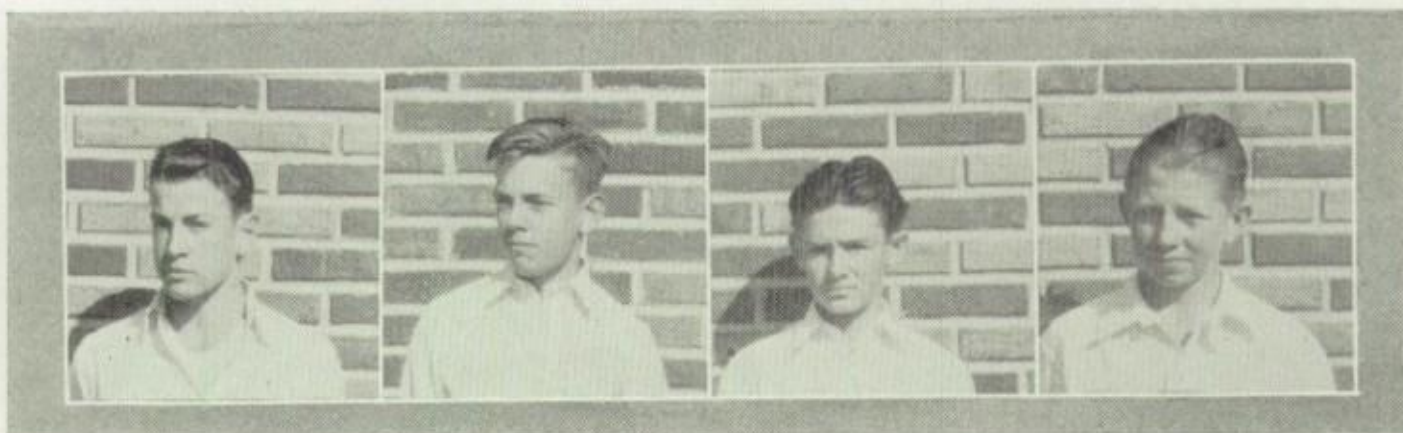

C. L. DUNIVAN

C. L. plays a good tennis game. He has a serve like Barnhill's but has not developed it far enough. Keep the good work up C. L.

LAUREN BLADES

Humpy's tennis is good. He not only plays a foot game but is good on hard balls. His back hand is very good and we hope that Blades will keep on with his tennis.

CHARLES GILLIAM

This tall, lanky tennis man bids fair to help Amarillo High School win district in future meets. This is Gilliam's first year and with the showing he made in daily practice he's likely to be heard from later on.

HUGH HUMPHREY

Hugh is a beginner in tennis competition for chosen representatives from A. H. S. to District Meet. With men like Flennikn, White, and Barnhill any new man would have to step to win the coveted place.

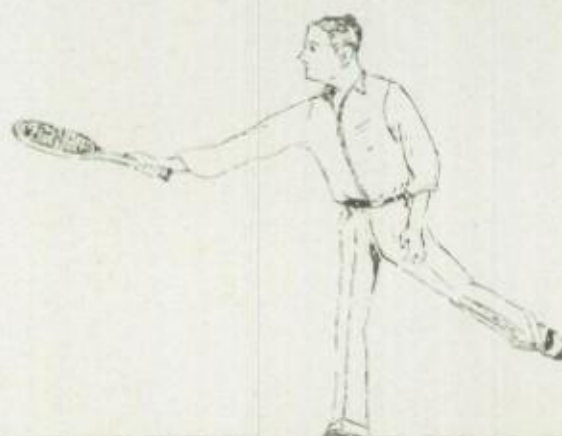

ROY KNUPP

Knupp is another new man in the tennis ranks. He is consistent in practice and gave competition. With a few more months of experience he will round into a real player.

WILLIAM PEARCE

Bill has one more year to help Amarillo boys win District in tennis competition. He is a good tennis man.

O:-

BONITA CAZELL—Captain—"Bob"

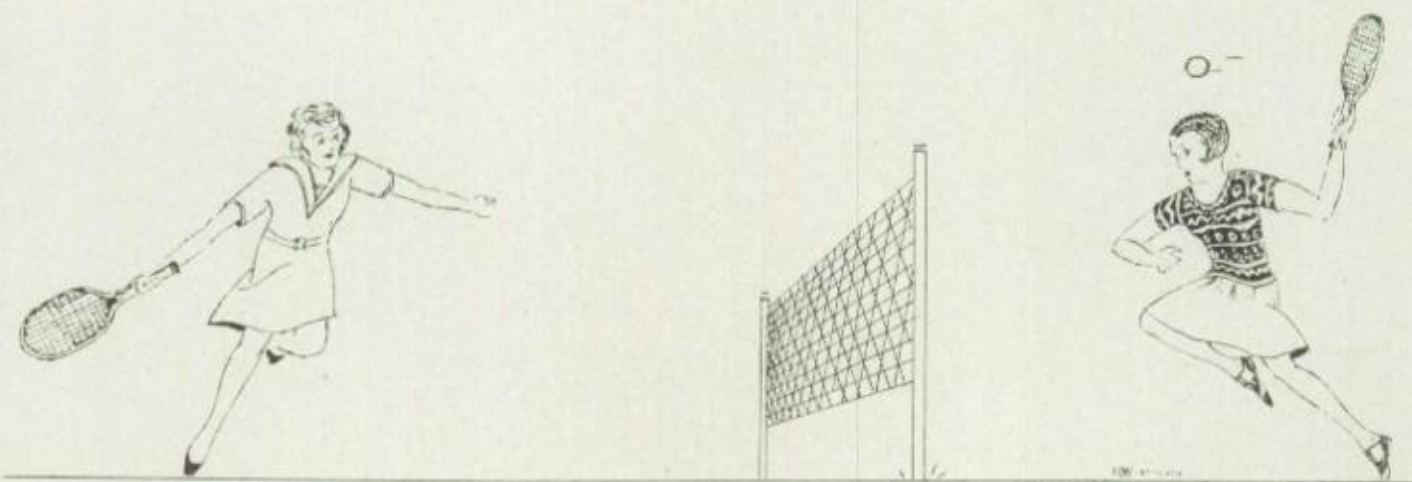

Bonita played the singles this year. She played a good game but lost in the semi-finals. She has a hard serve and an excellent back hand. This is her last year at A. H. S. Bonita is going to make some college a sure point winner. Good luck—Bob.

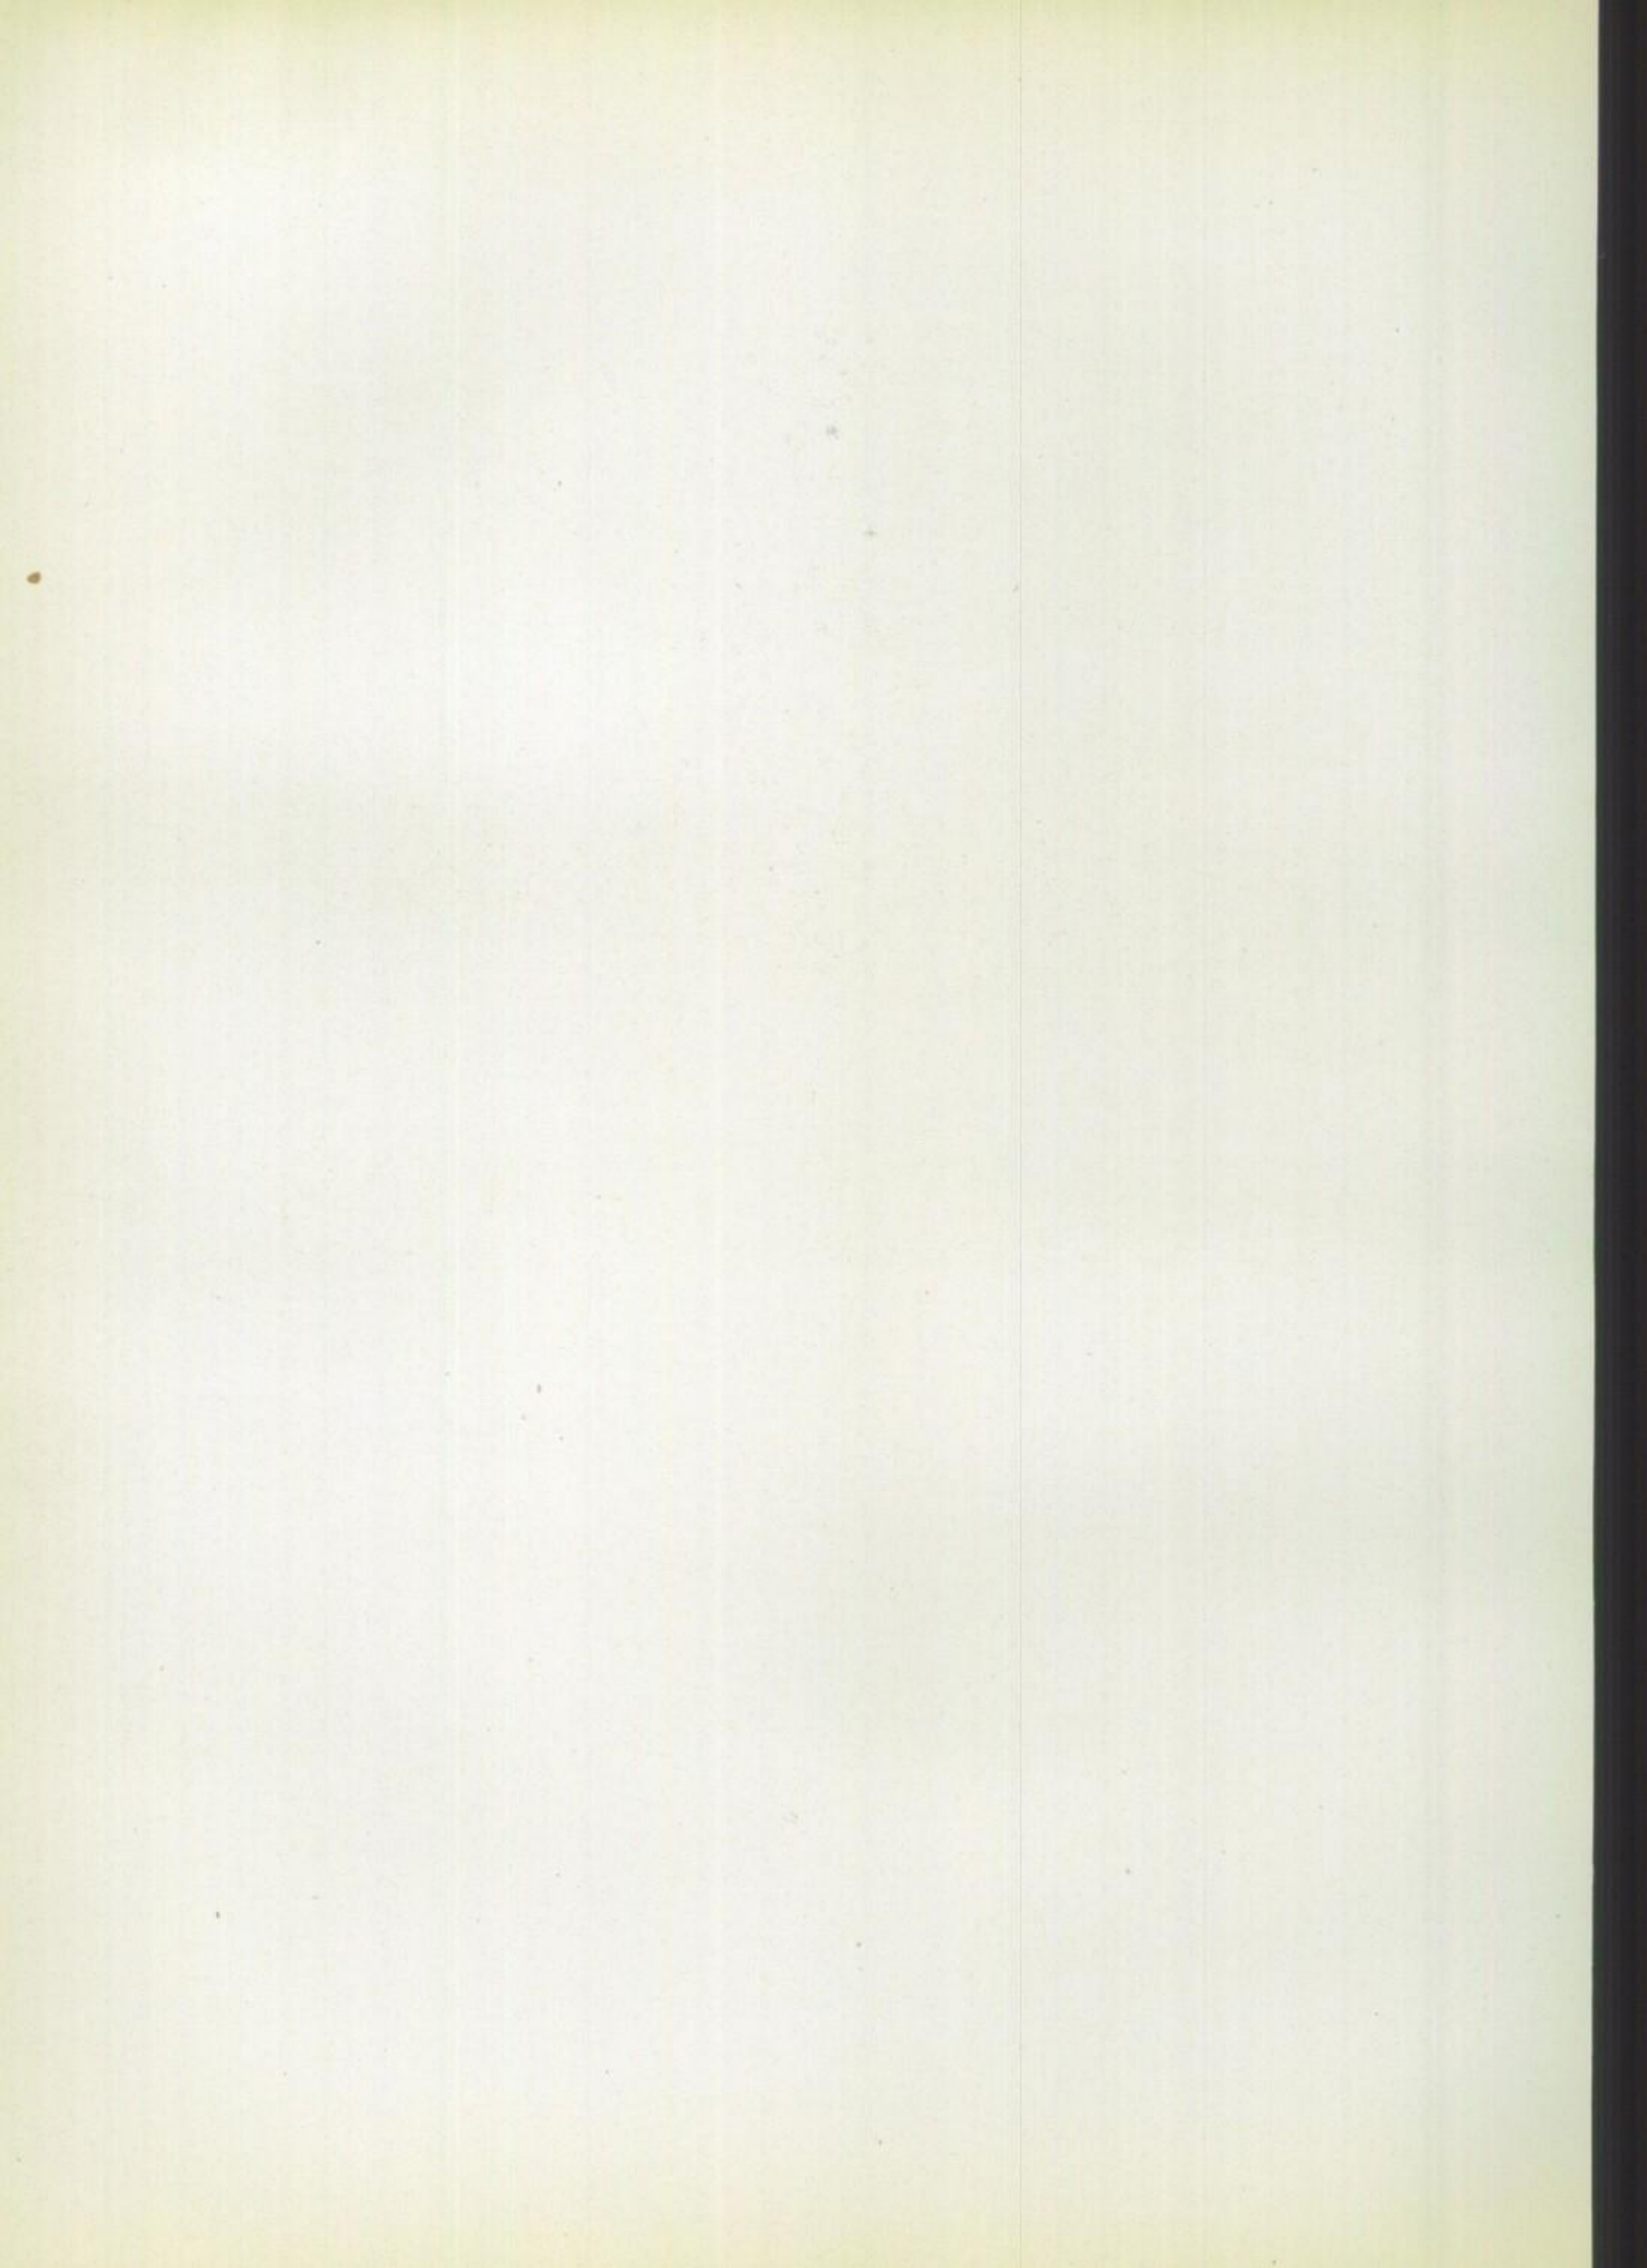

NETTIE MILLER

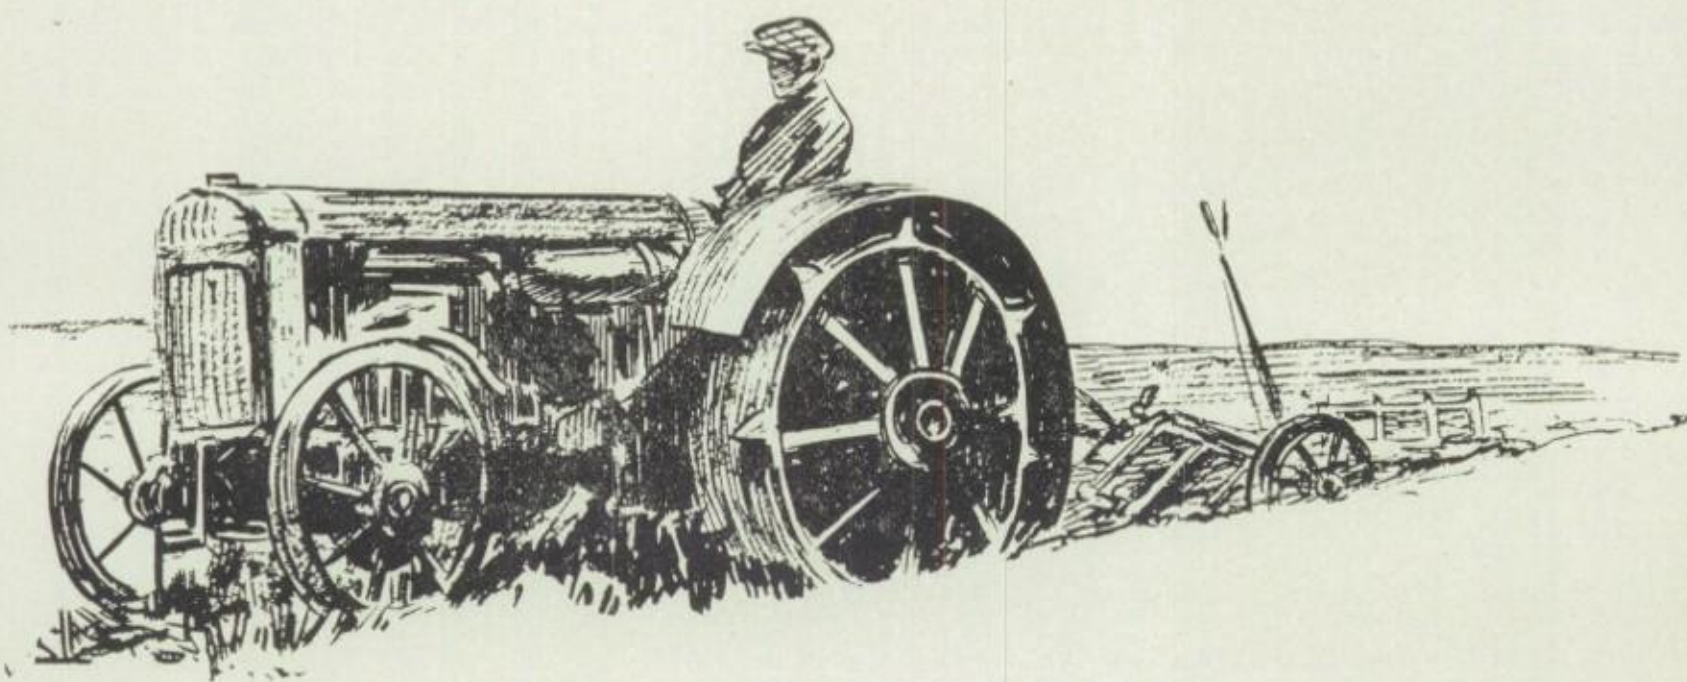

Nettie was a good net player and partner. She could place her balls and is quick on her feet. She played a good game at Canyon but was eliminated in the semi-finals.

GERTRUDE MCCONNELL

Gertrude was a good player on the back line. She has a deceiving serve and is quick on returning hard balls. She was defeated with Miller in the semi-finals at District.

TECHNIQUE

When my first man went, I cried and pined,
Which ages one very fast, I find.
When the next one left, I did not care,
But I learned a new way to cut my hair.
Now I merely smile in a wistful way,
For that becomes me, they all say.

Bob Brown: Can youse tell me what a pauper is?
Ford Benham: Sure. A pauper is what the newsboy delivers every morning.

A man in a Packard was easing along at 55 one day last week and noticed one of the new Fords gaining on him. He fed the Packard up to 70 the Ford crept up alongside of him and the worried-looking operator stuck his head out and asked: "Hey, Mister, do you know how to get this thing out of second gear?"

"Eavesdropping again," murmured Adam, as his little playmate fell out of the apple tree

"I won't be home until late, dearie," said the young husband, "but I won't lock you out."

Byron: "Had I known that tunnel was so long, I'd have kissed you."

Gene Meyer: "My shirt is just like yours."
Bill Flenniken: "Nope, mine's clean."

Mrs. Quicksall: "How many seasons in the year are there?"
Jack Fisher: "There are three—foot ball, basket ball, and baseball."

It used to be that when a fellow went out for a good time he indulged in wine, women and song; now its wood alcohol, nurses and funeral march.

Miss Walden (on field trip): You will observe that these trees have been well pruned.

Charles L: They certainly have. Why, I can't see a single prune.

Jake: "I'm going to have to stop drinking coffee for breakfast."

Mary Liz: Why so?"

Jake: "I can't sleep in any of my classes any more"

Eula Lee: That's a twelve piece orchestra."

Dawn: "It doesn't look like it."

EL: "Yeah, those six men can play ten different fox trots and two waltzes."

Ed Kanouse: "Doctor, I'm going to die."

Doctor: "What makes you think so?"

ED: "My lifetime fountain pen just broke!"

Margaret Tutt says—Traffic is only as dense as the drivers.

Kenneth Travis: Hey, you going to Mr. Steele's class today?

Ward Hudgins: What's the matter with you? I went yesterday.

Judge: Isn't this the fifth time you have been arrested for drunkenness?

Dubb: Don' ash me. I thought you'sh keeping score!

Football is a game in which one side of the stadium wants to see eleven men killed and the other side of the stadium wants to see eleven men killed.

"College must be a great place," sighed the Yale Senior as he watched the latest movie interpretation.

Liza: Say listen heah boy yo ain't no glass of buttahmilk youself.

Bob Walker: Ever read Carlyle's Essay on Burns?

Fred Hayden: I'm not in the medical school.

Evelyn: "Why are you walking so slowly?"

Joe W: "Oh, so that if I fall asleep I won't fall so hard.

The student body will now join in the singing of that stirring football song, He didn't know how to run, so coach gave him the gait.

Alda Lois: Then there's the absent-minded flapper who shined her nose and powdered her shoes.

Margaret: "Men rarely get what they deserve these days."

Louise: "Well, they are lucky they don't."

WHY POETS ARE PESSIMISTS

Oh, love is a bitter, a costly thing,
(Wow, what a peach at that corner table!)
A bauble not worthy of treasuring.
(Her skin's of satin, her hair 's of able.)

Oh, love is a foible a sage forgets,
(She looks at me and her smile "come hithers")
Crushed ahses of orchids and violets.
(I beg your pardon, aren't you Miss Smithers?)

"And didn't we meet 'at Nantucket, when—
What, never! Well, honestly, what of it?"
"We're meeting now and we'll meet again.
"May I finish my lunch with you? I'd love it.

"There's something so classic about your neck—
"An artist would covet you as sitter——"
(Good Godfrey, she's gone and left me her check!)
Love is a costly thing, and bitter!

Bob McKinney: Go to the devil thou sluggard, observe his ways and be wise.

Pelham Hopkins says he is a woman hater.

Mrs. Quicksall (on test): Give a brief sketch of the life of Edgar Allen Poe.

Lazy Pupil: Edgar Allen Poe drunk whiskey till he ruint his stomach and then he ruint his rep.

Billy B: "Lookit them poor dogs—pitiful ain't it?"

Vance: "Yeh. Probably be dogs all their lives, too."

Mr. Truitt—"Give the most important date in history"

Sharpe—"1911"

Mr. Truitt—"Why, what happened that was important that year?"

Sharpe—"I was born."

"I say, doctor, did you ever doctor another doctor?"

"Oh, yes, often."

"Well, tell me this: Does a doctor doctor a doctor the way the doctored doctor wants to be doctored or does the doctor doing the doctoring doctor the other doctor in his own way?"—Mueller Record.

Aw! forgot my notebook!
Brought the wrong book to class.
Couldn't get my lesson.
Didn't know you assigned it.
English test; so I couldn't get my chemistry.
Forgot the answer.
Gosh, I didn't know we had that.
How was I to remember.
I thought our lesson was on page 127.
Just couldn't get the right answer.
Know it but can't tell you.
Lost my paper.
Miss Miller, you said you wouldn't give us a test.
No, I didn't get my lesson.
Oh! I forgot to take my book.
Please excuse me, I think I have a cold.
Queer, that I forgot what the lesson was.
Remember all except that.
Studied all my lessons except History.
Thought we were going to have a test tomorrow.

LOST

Gone! Gone! And I must sit alone
While others to the party go.
I pace the floor and make my moan—
I did not know I'd miss you so.

Gone! And it seems but yesterday
That you were pressed against my heart,
And life was happy, blithe and gay,
Alas! that we should have to part.

Gone! And you were so white and fair,
And with such dazzling brilliance shone;
At dances, bridges, everywhere,
You were my one, my very own.

Gone! Ah, perhaps some other guy
Has stolen you, and done me dirt;
I do not know, I can but sigh,
You're lost, you're lost, my one Tux shirt.

SAYINGS OF THE GREAT

Adam—It was a great life if you don't weaken.
 Jonah—You can't keep a good man down.
 Sampson—I'm strong for you kid.
 Plutarch—I am sorry that I have no more lives to give my country.
 Cleopatra—You're an easy mark, Antony.
 David—The bigger they are the harder they fall.
 Helen of Troy—So this is Paris.
 Columbus—I don't know where I'm going, but I am on my way.
 Nero—Keep the home fires burning.
 Noah—It floats.
 Solomon—I love the ladies.
 Methuselath—The first hundred years are always the hardest.
 Queen Elizabeth to Sir Walter Raleigh—Keep your shirt on.
